Out of Bounds - Beverley Naidoo 2001-06-07

A collection of short stories - four previously published and three new - linked by the theme of young people experiencing personal dilemmas. All are set in South Africa, first under apartheid and then after the first democratic elections. They cover the period from 1950 to 2000 and reflect the lives of a range of young people, black and white, living in what was for many years seen as the world's most openly racist society.

Snow-bound - John Greenleaf Whittier 1893

The Autobiography of Eleanor Roosevelt - Eleanor Roosevelt 2014-10-21

A candid and insightful look at an era and a life through the eyes of one of the most remarkable Americans of the twentieth century, First Lady and humanitarian Eleanor Roosevelt. The daughter of one of New York's most influential families, niece of Theodore Roosevelt, and wife of President Franklin Delano Roosevelt, Eleanor Roosevelt witnessed some of the most remarkable decades in modern history, as America transitioned from the Gilded Age, the Progressive Era, and the Depression to World War II and the Cold War. A champion of the downtrodden, Eleanor drew on her experience and used her role as First Lady to help those in need. Intimately involved in her husband's political life, from the governorship of New York to the White House, Eleanor would eventually become a powerful force of her own, heading women's organizations and youth movements, and battling for consumer rights, civil rights, and improved housing. In the years after FDR's death, this inspiring, controversial, and outspoken leader would become a U.N. Delegate, chairman of the Commission on Human Rights, a newspaper columnist, Democratic party activist, world-traveler, and diplomat devoted to the ideas of liberty and human rights. This single volume biography brings her into focus through her own words, illuminating the vanished world she grew up, her life with her political husband, and the post-war years when she worked to broaden cooperation and understanding at home and abroad. The Autobiography of Eleanor Roosevelt includes 16 pages of black-and-white photos.

Walden - Henry David Thoreau 1882

The Most Dangerous Game - Richard Connell 2020-04-21

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale "has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill" (The Telegraph). "[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what

it means to be hunted." —Criterion

The Tell-Tale Heart - Edgar Allan Poe 2020-08-26

Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

The English Teacher's Companion - Jim Burke 2008

Teachers and teacher educators asked for: the latest research on literacy more information about national standards ways to consider gender in instruction advice for teaching Advanced Placement classes ideas for teaching media literacy and incorporating technology effectively into instruction even more resources for mentoring new teachers analysis of how trends in society, culture, and politics impact teachers and their classrooms. And Jim delivers. He has revamped his introductory chapters on literacy learning to include up-to-the-minute thinking from the field, and he has incorporated lists of key standards and helpful suggestions for reaching them. His practical strategies turn recent findings on literacy and gender into well-designed, research-based instruction, and his ideas help you meet the very different needs of AP students by understanding their goals and providing them with appropriate challenges.

Narrative of the Life of Frederick Douglass, an American Slave - Frederick Douglass 2019-06-12

Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his

ambition to become a free man.

Gathering Blue - Lois Lowry 2000-09-25

Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in *THE GIVER*, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.

Le Morte D'Arthur - Thomas Malory 2015-03-05

This brisk retelling of *Le Morte D'Arthur* highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485.

What Do Fish Have to Do with Anything? - Avi 2016-02-09

Avi charts the turning points in seven young lives in this extraordinary collection of short stories. In the overlapping years when childhood and adolescence blend and shift like waves and sand, nothing is certain and everything is changing. Now award-winning author Avi creates seven astonishing portraits of life in the middle-school years. In these stories you will meet, among others, William, of "What Do Fish Have to Do with Anything?" who wonders why he shouldn't ask questions that have no answers. Is it because he might discover the truth? A minister's son, the baddest of the bad, is dared to be good in "The Goodness of Matt

Kaizer." And in the chilling tale, "Pets," Eve is haunted by the ghosts of her cats. Always with a surprise built in, an angle unseen, these are stories that step just beyond the edge of the everyday.

The Pardoner's Tale - Geoffrey Chaucer 1835

The Selected Canterbury Tales: A New Verse Translation - Geoffrey Chaucer 2012-04-09

"A truly remarkable achievement." —Barry Unsworth In the tradition of Seamus Heaney's *Beowulf* and Marie Borroff's *Sir Gawain and the Green Knight*, Sheila Fisher's *The Selected Canterbury Tales* is a vivid, lively, and readable translation of the most famous work of England's premier medieval poet. Preserving Chaucer's rhyme and meter, Fisher makes these tales accessible to a contemporary ear while inviting readers to the Middle English original on facing pages. Her informative introduction highlights Chaucer's artistic originality in his memorable portrayals of surprisingly modern women and men from across the spectrum of medieval society.

The Red Room - H. G. Wells 2016-09-13

"The Red Room" is a short story written by H. G. Wells. First published in the 1896 edition of "The Idler" magazine, it is a quintessentially Gothic tale about a man who spends a night in a supposedly haunted room in Lorraine Castle in an attempt to disprove the legends surrounding it. This thrilling tale constitutes a must-read for fans of Gothic literature and Wells' seminal work, and it would make for a fantastic addition to any collection. Herbert George Wells (1866 - 1946) was a prolific English writer who wrote in a variety of genres, including the novel, politics, history, and social commentary. "The Father of Science Fiction" was also a staunch socialist, and his later works are increasingly political and didactic. Today, he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as "The Time Machine" (1895), "The Invisible Man" (1897), and "The War of the Worlds" (1898). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

Fortune's Bones - Marilyn Nelson 2016-08-01

There is a skeleton in the Mattatuck Museum in Connecticut. It has been in the town for over 200 years. In 1996, community members decided to find out what they could about it. Historians discovered that the bones were those of a slave name Fortune, who was owned by a local doctor. After Fortune's death, the doctor rendered the bones. Further research revealed that Fortune had married, had fathered four children, and had been baptized later in life. His bones suggest that after a life of arduous labor, he died in 1798 at about the age of 60. Merilyn Nelson wrote *The Manumission Requiem* to commemorate Fortune's life. Detailed notes and archival photographs enhance the reader's appreciation of the poem.

The Choice - Dorothy Parker 2009

Spring and All - William Carlos Williams 2021-08-03

Spring and All (1923) is a book of poems by William Carlos Williams. Predominately known as a poet, Williams frequently pushed the limits of prose style throughout his works, often comprised of a seamless blend of both forms of writing. In Spring and All, the closest thing to a manifesto he wrote, Williams addresses the nature of his modern poetics which not only pursues a particularly American idiom, but attempts to capture the relationship between language and the world it describes. Part essay, part poem, Spring and All is a landmark of American literature from a poet whose daring search for the outer limits of life both redefined and expanded the meaning of language itself. "There is a constant barrier between the reader and his consciousness of immediate contact with the world. If there is an ocean it is here." In Spring and All, Williams identifies the incomprehensible nature of consciousness as the single most important subject of poetry. Accused of being "heartless" and "cruel," of producing "positively repellant" works of art in order to "make fun of humanity," Williams doesn't so much defend himself as dig in his heels. His poetry is addressed "[t]o the imagination" itself; it seeks to break down the "the barrier between sense and the vaporous fringe which distracts the attention from its agonized approaches to the moment." When he states that "so much depends / upon // a red wheel / barrow," he refers to the need to understand the nature of language, which keeps us in touch with the world. With a beautifully designed cover and professionally typeset manuscript, this edition of William Carlos Williams' Spring and All is a classic of American literature reimagined for modern readers.

By the Waters of Babylon - Stephen Vincent Benet 2015-08-24

The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must be a priest or the son of a priest. Afterwards, both the man and the metal must be purified. These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods-this is most strictly forbidden. We do not even say its name though we know its name. It is there that spirits live, and demons-it is there that there are the ashes of the Great Burning. These

things are forbidden- they have been forbidden since the beginning of time.

Adventures in Literature, Teaching Resource C (Unit 5-6) - Holt, Rinehart and Winston Staff 1996

Yeh-Shen - Ai-Ling Louie 1996-05-07

Told with beauty and grace, this Cinderella story from Ai-Ling Louie is brought vividly to life by Caldecott Medal-winner Ed Young's soft, glowing illustrations. Half-starved and overworked by her stepmother, Yeh-Shen's only friend is a fish with golden eyes. When the stepmother kills the fish for dinner, poor Yeh-Shen is left with only the bones. But the bones are filled with a powerful spirit. When Ye-Shen is forbidden to attend the annual spring Festival, the spirit grants her a gown of azure blue and delicate golden slippers. That night, everyone marvels at the beautiful, mysterious young woman at the ball. "Misty, jewel-like illustrations evoke the mythic past in this Chinese Cinderella story." —Publishers Weekly

Precalculus - Jay Abramson 2018-01-07

Precalculus is adaptable and designed to fit the needs of a variety of precalculus courses. It is a comprehensive text that covers more ground than a typical one- or two-semester college-level precalculus course. The content is organized by clearly-defined learning objectives, and includes worked examples that demonstrate problem-solving approaches in an accessible way. Coverage and Scope Precalculus contains twelve chapters, roughly divided into three groups. Chapters 1-4 discuss various types of functions, providing a foundation for the remainder of the course. Chapter 1: Functions Chapter 2: Linear Functions Chapter 3: Polynomial and Rational Functions Chapter 4: Exponential and Logarithmic Functions Chapters 5-8 focus on Trigonometry. In Precalculus, we approach trigonometry by first introducing angles and the unit circle, as opposed to the right triangle approach more commonly used in College Algebra and Trigonometry courses. Chapter 5: Trigonometric Functions Chapter 6: Periodic Functions Chapter 7: Trigonometric Identities and Equations Chapter 8: Further Applications of Trigonometry Chapters 9-12 present some advanced Precalculus topics that build on topics introduced in chapters 1-8. Most Precalculus syllabi include some of the topics in these chapters, but few include all. Instructors can select material as needed from this group of chapters, since they are not cumulative. Chapter 9: Systems of Equations and Inequalities Chapter 10: Analytic Geometry Chapter 11: Sequences, Probability and Counting Theory Chapter 12: Introduction to Calculus
