The State of Affairs - Esther Perel 2017-10-10

Iconic couples' therapist and bestselling author of Mating in Captivity Esther Perel returns with a provocative look at relationships through the lens of infidelity. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden

yet universally practiced? Why do people cheat—even those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us up for betrayal? Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want, and

what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining exploration of modern marriage in its many variations. Fiercely intelligent, *The State of Affairs* provides a daring framework for understanding the intricacies of love and desire. As Perel observes, “Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart.”

The Crochet Answer Book -

Eddie Eckman 2005-01-01

Offers solutions to common crocheting dilemmas, including selecting the appropriate hook and yarn for a project, getting started in the round or flat, and maneuvering around corners and other difficult spots.

Knockout Knits - Laura Nelkin 2014-09-02

An abundance of knitted luxuries--summery lace shawls, warm and wooly hats, a trio of cool knitted bracelets, and stunning beaded gloves--designed to grow your skills. Who doesn't love to knit accessories? They're fast, often require only a skein or two of yarn, and make amazingly versatile gifts for friends and family. Small knits are also the perfect way to try something new--an unusual stitch pattern, wild multi-colored yarn, or even a touch of sparkle. Laura Nelkin is well-known for designing these fun-to-knit little projects introducing her students and fans to advanced techniques with her signature "You can do it!" enthusiasm. In her first book, she shares her 3 favorite types of knitting using wrapped stitches, lacework, and beads. Each chapter begins with a quick knitted cuff to lay the foundations, then gradually ramps up to more complicated designs. The result

is an all-new collection of wearable, feminine knits with a slightly rustic aesthetic. Give them as gifts, stockpile for a chilly day, or dress up a casual outfit--these are knockout projects to enjoy knitting again and again.

Loop-d-Loop - Teva Durham 2005-06-01

A collection of more than forty knitting designs for adults, children, and the home explains how to create fashionable scarves, cardigans, slipcovers, and more, in an illustrated guide by a former editor at Vogue Knitting International. 25,000 first printing.
