Lee Hammond's All New Big Book of Drawing - Lee Hammond 2018-01-24

Learning How to Draw Has Never Been Easier! Lee Hammond's All New Big Book of Drawing is the culmination of nearly forty years of teaching. No matter what your experience level YOU CAN DRAW by following along these easy step-by-step demonstrations. Whether you want to create drawings of flowers, learn how to draw animals or how to draw a person, these drawing techniques, all-new projects, and expert tips will show you how to get great results with both regular pencils and colored pencils. • Two books in one. The first half is a comprehensive course on using pencils to capture shape, form and likeness. The second half explores adding color using colored pencils • 88 step-by-step projects. You will learn to draw everything with this book! Starting with a simple sphere and working up to sea shells, sunsets, flowers, birds, horses, clothing, people--and so much more! • A lifetime of know-how! Lee covers it all--from big picture concepts (selecting tools, shading techniques, making sense of perspective) down to techniques for creating the look of feathers, capturing skin tones, and making surfaces look shiny or transparent. Using her straightforward, three-stage approach to lifelike drawings, Lee makes any subject approachable, from still life and landscapes to animals and even people. This project-driven tome will help you create realistic, frame-worthy artwork. Project by project and subject by subject, you will gain confidence and cultivate great joy in drawing.

The Big Book of Drawing - Watson-Guptill 2012-05-08

Discover the Keys to Creating Beautiful Drawings with Master Artists Between these pages, artists of all backgrounds will find anything and everything they need to know about drawing. With thorough explanations of materials and their composition, step-by-step demonstrations, and practical advice for creating compositions, The Big Book of Drawing is a comprehensive authority on the medium that is the foundation of all other visual arts. Learn how to handle charcoal, pastel, pencil, and an array of inks; master various shading techniques, including cross-hatching and chiaroscuro; and discover the secrets to constructing attractive and unique compositions. Aspiring artists will learn from the best, with a plentiful array of work by old masters, such as Van Dyke, Rembrandt, Gainsborough, Degas, Toulouse-Lautrec, and others. This combination of a detailed instruction book and folio of masterpiece art inspires and informs artists in a way that no other drawing book does.

Everyday Sketching and Drawing - Steven B. Reddy 2018-04-19

Everyday Sketching and Drawing offers an easy-to-follow, 5-step formula, which teaches beginner-friendly techniques for learning the skills necessary to make drawing and sketching an everyday habit. For those who have always wanted to or tried and failed to learn to draw it provides simple step-by-step instruction, plus easy-to-follow practice exercises, and provides the motivation and inspiration readers need to be successful. For those who already draw, Everyday Sketching and Drawing offers another technique to add to their drawing arsenal. Why do so many adults come to view drawing as difficult or fraught with anxiety? Traditional art instruction is often bogged down with jargon, rules, and admonishments that unintentionally stifle the joy of drawing for its own sake. Steven Reddy's new and easy approach to drawing instructs sketchers to document their unique and compelling lives in realistic yet playful sketches that record the places, spaces, and objects that help define them as individuals. He reminds artists to slow down, notice, and attend to the sketch-worthy scenes and subjects that are unstaged and always there in our everyday lives. He offers a versatile technique that can lead to a skill that fills sketchbooks with the visual details that differentiate one life from another. This approach is a meditative, relaxing alternative to academic concerns about perspective, proportion, and accuracy. Reddy encourages artists to capture in whimsical but detail-specific illustrations their unique, subjective interpretation of their visual surroundings. Steven Reddy's drawing method produces extremely detailed and realistic scenes of objects and scenes in everyday life in a relatively short period of time (60 minutes to 3 hours or more, depending on the sketcher's preference). Modifying a technique utilized by Old Master oil painters, the drawings pass through 5 clearly articulated stages where each step focuses on one visual concept at a time.
