**QuickBooks for Churches and Other Religious Organizations** - Deep River Press, Inc. 2013-11

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, The

Accountant Beside You, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for

bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.

### **QuickStart Your QuickBooks** - Ronika Khanna

Do you want to save time, make your accounting easier and ultimately increase profits?

QuickBooks can help you do that by saving on bookkeeping costs and giving you the data you need to analyze your business to take it to the next level. QuickBooks Online is the world's most popular accounting software for small business owners. And like with any new software there is a learning curve, but you don't have to do it all on your own. QuickStart Your Quickbooks aims to take you from a complete novice to a confident intermediate user on a timeline that works with your schedule. The step-by-step guide makes the information digestible and easy to implement immediately. Inside you'll find: Over 250 pages of tips, tricks,

and actionable steps you can take today. Images to help you through every step of the process. How to customize your setup specifically to your business and make maximum use of QBO's many features. Step by step instructions on how to do everyday tasks such as invoicing, expenses, journal entries and banking. A comprehensive review to setting up and using Canadian sales tax filing. A review of reports that every business owner should use to maximize profits and efficiencies. A glossary of common accounting terminology and best practices every small business owner should know. And so much more! Learn everything that every beginner needs to know, increase your profitability, and take control of your small business finances with QuickStart Your QuickBooks. Note: This book is based on the Canadian version of QBO, but in most respects the accounting concepts within are widely applicable to all countries. In addition, it does not review QBO payroll, as I believe there are better options out there at a

similar price point. Finally, I do not cover some advanced features such as budgeting, time tracking, multicurrency, projects and mileage. These topics will be covered in my next Advanced QBO book.

**QuickBooks 2012: The Missing Manual** - Bonnie Biafore 2011-10-19

Your bookkeeping workflow will be smoother and faster with QuickBooks 2012 for Windows—but only if you spend more time using the program than figuring out how it works. This book puts you in control: you get step-by-step instructions on how and when to use specific features, along with basic accounting advice to guide you through the learning process. The important stuff you need to know: Get started. Set up your accounts, customers, jobs, and invoice items quickly. Manage your business. Track spending, income, invoices, inventory, and payroll. Spend less time on bookkeeping. Use QuickBooks to create invoices or timesheets in

batches. Follow the money. Examine everything from billable time and expenses to year-end tasks. Find key info quickly. Rely on QuickBooks' vendor, customer, inventory, and employee centers. Exchange data with other programs. Move data between QuickBooks and Microsoft Office.

**Contractor's Guide to QuickBooks** - Karen Mitchell 2019-09-06

QuickBooks Desktop isn't just for taxes. You can use it for payroll, managing your vendors and subs - even job costing. QuickBooks can simplify staying on top of your finances. But learning QuickBooks can be complex on your own. If you'd rather be building homes than burning the midnight oil trying to figure it all out, you should have this new book. It includes a template for a construction company to help speed your set up.
