She Reads Truth - Raechel Myers 2016-10-04
She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She

wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice

the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Sticky Faith - Kara E. Powell 2011-10-04

Most parents would give anything to anchor their children with a vibrant faith that “sticks” and continues to mature long-term. Yet despite

this deep desire, research indicates that approximately 40-50% of high school seniors drift from their faith after graduation. In response to this problem, the Fuller Youth Institute (FYI) has launched the College Transition Project, a national longitudinal study following 400 high school seniors during their first three years in college. This provocative and needed research is geared to spark a movement that empowers parents, churches, leaders, and adults of all ages to develop robust and long-term faith in kids.
