[The Fast Path to Corporate Growth - Marc H. Meyer](#)
2007-06-04

Every company can point to a growth strategy. Far fewer, however, systematically implement them; instead, they spend their time on incremental innovations, or rely on acquisitions. Still, organic, internal growth, accomplished through product line renewal and new service development, is essential to the long-term vitality of corporations across all industries. The FASTPATH to Growth takes on the challenge large corporations have in generating internal innovation--developing new product lines that address new market applications and provide the corporation with new streams of revenue. It integrates the key disciplines--new product strategy, user research, concept development

and prototyping, market testing, and business modeling--needed for enterprise growth. The book illustrates its framework with in-depth examples of companies that have leveraged their core technologies to new markets and new types of uses in order to generate impressive results, including IBM, Honda, and Mars. Many of these examples contain templates that readers can use in their own projects. The book ends by addressing the human side of new market applications, providing advice on what executives and innovation team leaders must do to execute the steps of Meyers framework for new market applications development. This comprehensive management guide should appeal to practitioners in research and development, new business development strategists, and product managers, along with students in engineering management, innovation management, and corporate strategy courses that focus on technology industries.

Chocolate is that sweet "something extra" that infuses anything ordinary with delectable flavor and zest. In the same way, loving friendships can sweeten a woman's life and make almost any situation — good or bad — taste even better. Blending true stories and several original chocolate recipes with rich biblical examples, Karen Porter explores eight ways that friends can help one another enjoy life — and point each other to the God who made every good and perfect gift — especially chocolate!

Falling in Love with Emma - Pam Binder 2017-10-27

Ever since the sudden death of her mother left Emma in charge of caring for her grandmother and the family's French bakery, she has survived by rejecting change. The last thing she wants is an ex-boyfriend with commitment issues. But while making a delivery to the matchmaker sisters' café, Emma opens a door and is transported to eighteenth-century Paris, on the eve of the French revolution. Björn has made a mess of things. He returned from fishing in Alaska believing his relationship with Emma would go back to the way things were, only to have Emma smash a pie in his face. But when Björn learns she is in danger, he leaps at the chance to save the woman he loves, even if she wants nothing to do with him.

Intimate Practices - Anne Ruggles Gere 1997 Women's clubs at the turn of the century were numerous, dedicated to a number of issues, and crossed class, religious, and racial lines. Emphasizing the intimacy engendered by shared reading and writing in these groups, Anne Ruggles Gere contends that these literacy practices meant that club members took an active part in reinventing the nation during a period of major change. Gere uses archival material that documents club members' perspectives and activities around such issues as Americanization, womanhood, peace, consumerism, benevolence, taste, and literature and offers a rare depth of insight into the interests and lives of American women from the fin de siècle through the beginning of the roaring twenties. *Intimate Practices* is unique in its exploration of a range of women's clubs -- Mormon, Jewish, white middle-class, African American, and working class -- and paints a vast and colorful multicultural, multifaceted canvas of these widely-divergent women's groups. - Publisher.

Hot Tropics and Cold Feet - Diann Hunt
2008-02-05

When the going gets tough, the tough hit the beach. After years of being single, Lily's about to

head down the aisle again. But just as she's about to take the plunge, she gets cold feet--ice cold. To calm her pre-wedding jitters, Lily and her girlfriends take off on a getaway to Siesta Key, Florida. Harkening back to younger days, they stalk Donny Osmond, get tattoos (henna!), and turn the heads of local studs. But not far from any of their minds are the challenges of midlife: grown children coming home to roost, husbands in midlife crisis mode, and--could it be?--a first-time pregnancy at forty-five. The "girls" all have their baggage in tow, but the salty air and laughing with friends is just what the doctor ordered--if they can weather the hot flashes until wedding bells ring!

Biarritz Beach/Resurrection of a Divorced Woman - Carolyn Scanze Giglio 2009-10-06

In the fifties, it took a lot of courage for a Catholic woman to get a divorce. That is what Julee Novak Chusack did. She divorced Stanley, the man who promised her everything. A good decent life and family. He cheated on her from the first year of their marriage. He never held a job long enough for her to feel secure that he would be able to support a family. Trying to forget the religious disgrace of being a divorced woman, Julee and her best friend, Ellen, who recently separated from a long term courtship, decided they needed to get away. What better place to forget the two poor excuses for men, than a vacation in Europe. A chance meeting with Ruby and her mother, Mrs. Romanoffski, a bona-fide gypsy, proved to be the high-light of their vacation plans. After a tea leaf reading, and two week's of fun, it was easy to change their scheduled plans. They soon found they loved Europe and the people. They also found, when their vacation time was up, it was difficult to leave. It was quite possible their new admirers could be the men in their future. They needed time to find out if the fascination was real. Long Island is a long way from Italy.

Women, Consumption and Paradox - Timothy de Waal Malefyt 2020-04-23

Women are the world's most powerful consumers, yet they are largely marketed to erroneously through misconceptions and patriarchal views that distort the reality of women's lives, bodies, and work. This book examines the contradictions and mismatches between women's everyday experiences and market representations. It considers how women themselves exhibit paradoxical behaviour in both resisting and supporting conflicting messages. The volume emphasizes paradox as a form of

agency and negotiation through which women develop dialogical meanings. The contributions highlight the ways in which women transform inconsistencies and contradictions in advertising and marketing, global consumption practices, and material consumption into positive practices for living. The rich range of ethnographic accounts, drawn from countries including the United States, Brazil, Mexico, Denmark, Japan, and China, provide readers with a valuable perspective on consumer behaviour.

Fudge Shop Mystery Series: Deadly Fudge Divas - Christine DeSmet 2020-03-03

A taste of trouble is in the air when a group of well-heeled, fudge-loving women descend on Ava Oosterling's newly acquired and lovingly refurbished bed & breakfast inn for a chocolate lovers' getaway. When one of the women turns up dead--and Ava's grandfather is a prime suspect--Ava plunges into the thick of a murder case stickier than her candy store's line of Fairy Tale fudge flavors and the chocolate facials the women adore at the local spa. It's springtime and the start of the tourist season in Fishers' Harbor, Wisconsin. Ava has opened the Blue Heron Inn with the help of handsome construction worker Dillon Rivers. Unfortunately, Dillon's mother--Ava's ex-mother-in-law--is among the secretive divas who become suspects along with Grandpa. Ava turns for help from her friends but they have troubles, too. One is eager for a wedding proposal to unfold on live television, while another friend is expecting her first baby and asks Ava to assist with the birth. Everything and everybody Ava loves seems in chaos--her fudge shop, her inn, her family, and her own friendships... Until she uncovers a thirty-year-old secret of the "deadly fudge divas".

Dating the Cowboy - Ann B. Harrison 2019-08-14

They'll let the town think they're together... for now Crease Hansen is home from college and looking to start up his own dating service in Marietta with his best friend Alice. Everyone assumes they're a couple because of the easy-

going banter they share and the way they mercilessly tease each other. Rather than tell everyone the truth, they go along with it because it looks good for business: The matchmakers who matched themselves. Alice Winter is only looking to hone her data mining skills, as a stepping stone to a career in the tech industry, so why not join her friend in a start-up? After a magazine gets wind of their supposed matchmaking skills and wants to interview them, they realize they can't turn down the free advertising. But are they getting in too deep? When Alice finally gets the interview she's been dreaming of, the chance to fulfill her professional goals in Seattle is within her grasp. So why does she feel as though her world is crashing down around her?

The Oxford Companion to Sugar and Sweets -
2015-04-01

A sweet tooth is a powerful thing. Babies everywhere seem to smile when tasting sweetness for the first time, a trait inherited, perhaps, from our ancestors who foraged for sweet foods that were generally safer to eat than their bitter counterparts. But the "science of sweet" is only the beginning of a fascinating story, because it is not basic human need or simple biological impulse that prompts us to decorate elaborate wedding cakes, scoop ice cream into a cone, or drop sugar cubes into coffee. These are matters of culture and aesthetics, of history and society, and we might ask many other questions. Why do sweets feature so prominently in children's literature? When was sugar called a spice? And how did chocolate evolve from an ancient drink to a modern candy bar? The Oxford Companion to Sugar and Sweets explores these questions and more through the collective knowledge of 265 expert contributors, from food historians to chemists, restaurateurs to cookbook writers, neuroscientists to pastry chefs. The Companion takes readers around the globe and throughout time, affording glimpses deep into the brain as well as stratospheric flights into the world of sugar-crafted fantasies. More than just a compendium of pastries, candies, ices, preserves, and confections, this reference work reveals how the human proclivity for sweet has brought richness to our language, our art, and, of course, our gastronomy. In nearly 600 entries, beginning with "à la mode" and ending with the Italian trifle known as "zuppa inglese," the

Companion traces sugar's journey from a rare luxury to a ubiquitous commodity. In between, readers will learn about numerous sweeteners (as well-known as agave nectar and as obscure as castoreum, or beaver extract), the evolution of the dessert course, the production of chocolate, and the neurological, psychological, and cultural responses to sweetness. The Companion also delves into the darker side of sugar, from its ties to colonialism and slavery to its addictive qualities. Celebrating sugar while acknowledging its complex history, *The Oxford Companion to Sugar and Sweets* is the definitive guide to one of humankind's greatest sources of pleasure. Like kids in a candy shop, fans of sugar (and aren't we all?) will enjoy perusing the wondrous variety to be found in this volume.

Critical Craft - Clare M. Wilkinson-Weber
2020-05-26

From Oaxacan wood carvings to dessert kitchens in provincial France, *Critical Craft* presents thirteen ethnographies which examine what defines and makes 'craft' in a wide variety of practices from around the world. Challenging the conventional understanding of craft as a survival, a revival, or something that resists capitalism, the book turns instead to the designers, DIY enthusiasts, traditional artisans, and technical programmers who consider their labor to be craft, in order to comprehend how they make sense of it. The authors' ethnographic studies focus on the individuals and communities who claim a practice as their own, bypassing the question of craft survival to ask how and why activities termed craft are mobilized and reproduced. Moving beyond regional studies of heritage artisanship, the authors suggest that ideas of craft are by definition part of a larger cosmopolitan dialogue of power and identity. By paying careful attention to these sometimes conflicting voices, this collection shows that there is great flexibility in terms of which activities are labelled 'craft'. In fact, there are many related ideas of craft and these shape distinct engagements with materials, people, and the economy. Case studies from countries including Mexico, Nigeria, India, Taiwan, the Philippines, and France draw together evidence based on linguistics, microsociology, and participant observation to explore the shifting terrain on which those engaged in craft are

operating. What emerges is a fascinating picture which shows how claims about craft are an integral part of contemporary global change.

Bolivia Pocket Adventures - Vivien Loughheed 2007-06-15

Hunter Pocket Adventure Guides contain all the practical travel information you need - places to stay and eat, tourist information resources, travel advice, emergency contacts, and more - plus condensed sections on history and geography that give you good background knowledge of the destination. The author is fascinated with the destination and her passion comes across in the text, which is lively, revealing, and a pleasure to read. Sidebars highlight unusual facts and tell of local legends, adding to your travel experience. Detailed town and regional maps make planning day-trips or

city tours easy. Adventures covered range from town sightseeing tours and nature watching to sea kayaking and organized jungle excursions. Travelers looking for a more relaxed vacation may want to sign up for traditional dance lessons in Bolivia, drum classes in the Dominican Republic, or attend a weaving school in Bolivia - these cultural adventures will introduce you to the people and afford you a truly unique travel experience. Over the last two years I have traveled Bolivia four times. Among the score of Bolivian guides that I have reviewed, two stand out: Pocket Adventures Bolivia and Footprint Bolivia. Both are solid guides, yet, both have their flaws.

Ethical Aestheticism in the Early Works of Henry James - Tomoko Eguchi 2016-05-11

This study re-locates the work of Henry James by

revealing parallels between the aestheticism of John Ruskin and that of James. It explores a mix of well-known fictional texts alongside James's essays and tales, which are less frequently analysed, but which, nevertheless, offer important insights into James's attitude to his artistic method. Tracing James's early development in comparison with Ruskin's, this book also explores German Romantic thought and the idealism of Kant, Goethe and Hegel. While examining the German connections with James, this study is also alert to James's relations with Walter Pater and French realism, to which James became increasingly close in the mid-1880s. Rather than placing James within one single category, it demonstrates how James interfused Romanticism and realism in establishing his own form of aestheticism. Shedding light on James's period of apprenticeship, this book therefore articulates the Victorian concept of 'aestheticism' as used by James and Ruskin.

RV There Yet? - Diann Hunt 2006-06-11

Life's a journey. Midlife's an adventure. But two weeks in a RV with the hot-flash sisters could drive anyone over the hill. Dede signed on for this cross-country RV trip selflessly, for Millie and Lydia's sakes. Besides, she needed to get her mind off a love gone wrong and a demanding gourmet chocolates business. And it's for a good cause--sprucing up the old summer camp in Colorado to save it from closing. It will be a fun, memorable last hurrah before she turns fifty. Right? But Dede's more of a luxury hotel kind of girl. She likes mints on plumped pillows and room service. Bunking with friends in a motor home the size of a phone booth is not her style. And with the mysterious biker gang and a stalking ex-boyfriend, the RV seems to be shrinking. Still, with friends, a boutiful supply of truffles, and a boy from her past who has aged very well, this trip might be the best vacation ever! A hilarious story that celebrates the life in midlife--even the occasional moose and mosquitoes--and the surprising grace of God.
