Manitoba Muslims - Ismael Ibrahim Mukhtar 2021-07-26

Manitoba Muslims: A History of Resilience and Growth is both a look back at the history of Muslims in the province of Manitoba, and a look forward into the future. The Muslims of Manitoba have a presence that reaches back beyond a century. They are a fast-growing demographic and continue to make many positive contributions to their community and country. The history of Manitoba Muslims is an integral part of the history of Manitoba and Canada; with a better collective understanding of our history, all Canadians can work together to create a more respectful, tolerant, and welcoming nation. This book opens with a history of the community, beginning in 1900. The second section examines some of the issues and challenges facing the Islamic community in Manitoba. The author examines the challenges faced by specific segments of the community, such as women, youth, and converts. In addition, address affiliations, controversies, social issues, halal alternatives, integration, and Islamophobia. This book will appeal to members of the public interested in learning about Islam and the Muslim community in Manitoba. It will also serve as an informative resource for historians, faith groups, and governing bodies.

Congressional Record - United States. Congress 1981

Constance Baker Motley - Gary L. Ford 2017-09-26

When the name Constance Baker Motley is mentioned, more often than not, the response is “Who was she?” or “What did she do?” The answer is multifaceted, complex, and inspiring. Constance Baker Motley was an African American woman; the daughter of immigrants from Nevis, British West Indies; a wife; and a mother who became a pioneer and trailblazer in the legal profession. She broke down barriers, overcame gender constraints, and operated outside the boundaries placed on black women by society and the civil rights movement. In *Constance Baker Motley: One Woman’s Fight for Civil Rights and Equal Justice under Law*, Gary L. Ford Jr. explores the key role Motley played in the legal fight to desegregate public schools as well as colleges, universities, housing, transportation, lunch counters, museums, libraries, parks, and other public accommodations. The only female attorney at the NAACP Legal Defense and Educational Fund, Inc., Motley was also the only woman who argued desegregation cases in court during much of the civil rights movement. From 1946 through 1964, she was a key litigator and legal strategist for landmark civil rights cases including the Montgomery Bus Boycott and represented Martin Luther King Jr. as well as other protesters arrested and jailed as a result of their participation in sit-ins, marches, and freedom rides. Motley was a leader who exhibited a leadership style that reflected her personality traits, skills, and strengths. She was a visionary who formed alliances and inspired local counsel to work with her to achieve the goals of the civil rights movement. As a leader and agent of change, she was committed to the cause of justice and she performed important work in the trenches in the South and behind the scene in courts that helped make the civil rights movement successful.

A Student's Guide to the Internal Revenue Code - I. Richard Gershon 2007-10-30

This Guide book does not teach substantive tax law, which constantly changes, but rather the language of tax, which largely remains constant. Thus, a student who learns how to read the Internal Revenue Code effectively will be able to understand each new tax reform. To that end, *A Student's Guide to the Internal Revenue Code*: • Examines statutory organization and language; • Introduces basic tax constants to provide a frame of reference from which to view tax law, no matter what future tax reform might bring; • Teaches how to use and research the cases, regulations, and Internal Revenue proclamations; • Provides numerous problems and exam questions which students can use to test their ability to apply the language of the Internal Revenue Code; and • Provides sample answers to problems and exams for students to monitor their progress. This eBook features links to Lexis Advance for further legal research options.

Financial Reporting in the Pacific Asia Region - Ronald Ma 1997

There is a dearth of good books on accounting in China, East Asia and Southeast Asia. This book makes a valuable contribution towards filling the gap. In particular, the authors focus on the extent of the harmonisation of domestic standards with international accounting standards and on the development of the accounting profession. The final chapter in Part III deals with the problems and prospects for accounting harmonisation in the region.

Islamic Finance - Nafis Alam 2017-12-18

This book provides a comprehensive and practical guide to Islamic finance. It covers a broad range of important topics including Islamic banking, capital markets, Takaful, wealth management, Fintech in Islamic finance, compliance and governance issues. It begins by introducing Islamic banking, covering its objectives, principles and evolution, before moving on to discuss the religious foundations of Islamic finance. The prohibition of Riba and Gharar and Islamic contracts are explored, before Islamic deposits, and financing are discussed in practice. A comparative analysis is provided between Islamic banking products and services in a range of countries throughout the world. Information technology including fintech, payment and settlement networks, opportunities and challenges are also addressed. Corporate governance, Islamic capital markets, and Islamic insurance (Takaful) are all explored, before concluding with a chapter on wealth management and Islamic investment funds. It features case studies based on the authors' own experiences consulting with Islamic financial institutions. Ideal for those looking to improve their understanding of practical Islamic financing models, contracts, product structures and product features, this book will appeal to both students and practitioners in Islamic finance and banking, those based in Islamic financial institutions, and those based in conventional financial institutions who may be looking to enter the Islamic financial market.
