**Looking for Anne** - Irene Gammel 2008

By any standards, Lucy Maud Montgomery's Anne of Green Gables is a stunning success. Published in 1908 (and not once out of print), Anne has sold more than 50 million copies, been translated into more than 17 languages (including Braille), and become the focus of international conferences devoted to its interpretation. Anne has remained, as Matthew sings in the musical, "œforever young," no small feat for the spunky, in-your-face redhead who, in 2008, celebrates her 100th birthday! But

why Anne? How does Montgomery's classic work pull so many international readers into the vortex of Anne's freckled face and carrotty braids? How does this little book create such enduring interest around the world? The answer is far more intriguing than any story even Anne could have imagined. In her journal, Maud's quick pen would froth up the tiniest details of her life into dramatic events, but that same pen never revealed a single word about Anne. As a result, the novel's secrets have remained sealed for over a century. Looking for Anne is the untold story of a literary classic and a writer who found inspiration in many places including the popular images of the era, such as beauty icons, fashion plates, and advertisements; a writer who quietly quarried her material from American mass market periodicals; who consciously imitated formula fiction to create marketable stories for juvenile periodicals, religious newspapers, and glamorous women's magazines and who ultimately, in the storm that brewed up the novel, also transcended these influences to create a twentieth-century literary classic that would conquer the world. Blending biography with cultural history, penetrating and uncensored, this is the definitive book on Anne of Green Gables. Looking for Anne captures both the spirit of Marilla's critical probing for facts and Anne's belief in the infinite power of the imagination. It is a must-read for anyone who has ever fallen under the spell of Anne with an œ. Praise for Looking for Anne: Looking for Anne takes a bold new look at Anne of Green Gables. If you have loved Anne of Green Gables and wonder how she came about, I recommend that you read Irene Gammel's book. *The Paper House* - Lois Peterson 2012-04-01

Life is hard for ten-year-old Safiyah in the Kibera slum outside Nairobi. Too poor to go to school, she makes a meager living for herself and her grandmother Cucu by selling things she finds at the garbage dump. After using scavenged paper to fix up the inside of the hut, Safiyah starts a mural on the outside. As word of the paper house spreads, Safiyah begins to take pride in her creation. When Cucu collapses after a fire, Safiyah stays at the hospital to help care for her grandmother. While Safiyah is away, her friend Pendo works on the mural, which upsets Safiyah. But when Pendo attracts media attention to the paper house, Safiyah and her grandmother are given a chance of a better life.

Still, Mrs. Doctor can't think of any place she'd rather be than her own beloved Ingleside. Until the day she begins to worry that her adored Gilbert doesn't love her anymore. How could that be? She may be a little older, but she's still the same irrepressible, irreplaceable redhead - the wonderful Anne of Green Gables, all grown up .... She's ready to make her cherished husband fall in love with her all over again!

*Marilla of Green Gables* - Sarah McCoy 2018-10-23

A bold, heartfelt tale of life at Green Gables . . . before Anne: A marvelously entertaining and moving historical novel, set in rural Prince Edward Island in the nineteenth century, that imagines the young life of spinster Marilla

Cuthbert, and the choices that will open her life to the possibility of heartbreak—and unimaginable greatness. Plucky and ambitious, Marilla Cuthbert is thirteen years old when her world is turned upside down. Her beloved mother dies in childbirth, and Marilla suddenly must bear the responsibilities of a farm wife: cooking, sewing, keeping house, and overseeing the day-to-day life of Green Gables with her brother, Matthew and father, Hugh. In Avonlea—a small, tight-knit farming town on a remote island—life holds few options for farm girls. Her one connection to the wider world is Aunt Elizabeth "Izzy" Johnson, her mother's sister, who managed to escape from Avonlea to the bustling city of St. Catharines. An opinionated spinster, Aunt Izzy's talent as a seamstress has allowed her to build a thriving business and make her own way in the world. Emboldened by her aunt, Marilla dares to venture beyond the safety of Green Gables and discovers new friends and new opportunities. Joining the Ladies Aid Society, she raises funds for an orphanage run by the Sisters of Charity in nearby Nova Scotia that secretly serves as a way station for runaway slaves from America. Her budding romance with John Blythe, the charming son of a neighbor, offers her a possibility of future happiness—Marilla is in no rush to trade one farm life for another. She soon finds herself caught up in the dangerous work of politics, and abolition—jeopardizing all she cherishes, including her bond with her dearest John Blythe. Now Marilla must face a reckoning between her dreams of making a difference in the wider world and the small-town reality of life at Green Gables.

**Every Home Needs an Elephant** - Jane Heinrichs 2021-05-11

One hot summer’s day nine-year-old Sarah goes to the grocery store...and comes home with an elephant. Sarah's new elephant is not without its challenges, he has trouble fitting through doorways, knocks over everything in sight, is allergic to the neighbor’s cat and cowers at the sight of a mouse. But he also has a knack for arranging flowers and keeping Sarah company. And it’s because of the elephant that Sarah meets her new next-door neighbor and makes her first real friend. It's because of the elephant

that Sarah's mother starts spending more time with her. In fact, despite the destruction, just about everything good that happens is because of the elephant. It turns out that every home, and every nine-year-old girl, does need an elephant. A story about friendship, adventure, and never being afraid to be yourself, this hybrid graphic novel is the perfect introduction to chapter books for all the young animal-lovers in your life.

**House of Dreams: The Life of L. M.**

**Montgomery** - Liz Rosenberg 2018-06-12

An affecting biography of the author of *Anne of Green Gables* is the first for young readers to include revelations about her last days and to encompass the complexity of a brilliant and sometimes troubled life. Once upon a time, there was a girl named Maud who adored stories. When she was fourteen years old, Maud wrote in her journal, “I love books. I hope when I grow up to be able to have lots of them.” Not only did Maud grow up to own lots of books, she wrote twenty-four of them herself as L. M. Montgomery, the world-renowned author of *Anne of Green Gables*. For many years, not a great deal was known about Maud’s personal life. Her childhood was spent with strict, undemonstrative grandparents, and her reflections on writing, her lifelong struggles with anxiety and depression, her “year of mad passion,” and her difficult married life remained locked away, buried deep within her unpublished personal journals. Through this revealing and deeply moving biography, kindred spirits of all ages who, like Maud, never gave up “the substance of things hoped for” will be captivated anew by the words of this remarkable woman.
