A golden retriever narrates a hilarious, heart-tugging tale of a dog and his humans as he tries to keep his family together while everything

around them falls apart. Ever since Cosmo became a big brother to Max ten years ago, he's known what his job was: to protect his boy and make him happy. Through many good years marked by tennis balls and pilfered turkey, torn-up toilet paper and fragrant goose poop, Cosmo has doggedly kept his vow. Until recently, his biggest problems were the evil tutu-wearing sheepdog he met on Halloween and the arthritis in his own joints. But now, with Dad-scented blankets appearing on the couch and arguing voices getting louder, Cosmo senses a tougher challenge ahead. When Max gets a crazy idea to teach them both a dance routine for a contest, how can Cosmo refuse, stiff hips or no? Max wants to remind his folks of all the great times they've had together dancing -- and make them forget about the "d" word that's making them all cry. Told in the open, optimistic, unintentionally humorous voice of a golden retriever, I, Cosmo will grab readers from the first page -- and remind them that love and loyalty transcend whatever life throws your way.

*The Story of Charlotte's Web* - Michael Sims 2011-06-07

While composing what would become his most enduring and popular book, E. B. White obeyed that oft-repeated maxim: "Write what you know." Helpless pigs, silly geese, clever spiders, greedy rats—White knew all of these characters in the barns and stables where he spent his favorite hours as a child and adult. Painfully shy, "this boy," White once wrote of himself, "felt for animals a kinship he never felt for people." It's all the more impressive, therefore, how many people have felt a kinship

with E. B. White. Michael Sims chronicles White's animal-rich childhood, his writing about urban nature for the *New Yorker*, his scientific research into how spiders spin webs and lay eggs, his friendship with his legendary editor, Ursula Nordstrom, the composition and publication of his masterpiece, and his ongoing quest to recapture an enchanted childhood.
