One Little Monster - Mark Gonyea 2018-07-24  
A sleep deprived kid creates monsters of his own to banish the ones that are keeping him awake in this fiendishly funny picture book that's the perfect counting and bedtime story. In graphic artist and designer Mark Gonyea's clever counting book, a little boy snuggles in for a nap, but much to his surprise, silly little monsters pop up wherever he looks. First there's one at the window, then two appear when he blinks, and three pop out when one of the monsters sneezes. Before he knows it, there are ten kooky creatures in his room. But will the little boy find a way to outsmart those pesky pests?

*The Want Monsters* - Chelo Manchego  
2017-02-21

What do you do when your inner "Want Monster" is out of control--again? This quirky, engaging picture book brings mindfulness practice to a problem that all kids--and even adults--can relate to. It's a scenario that is familiar to all parents: you and your child are in a toy store, or walking past an ice cream truck and instantaneously, your child's "want monster" kicks into high gear. Often, giving in only leads to more and more wanting. What to do? The Want Monsters takes a

unique and humorous look at how one boy learns how to calm Oskar, his "Want Monster." He says that often Oskar is a fun and lively companion, urging him to push the envelope in all sorts of situations--eating too much ice cream, playing video games until his thumbs fall off, needing to be the center of attention "way too much." But the boy gets tired of the drama and fallout from it, and, after getting some advice from a wise worm, finds a way to tame Oskar without hurting his feelings--or destroying the good and motivating energy that "wanting" can also generate. This is a warm and relatable story for children ages 4-8, with beautiful, bright drawings that are executed with humor and subtlety.

*Draw Bobbleheads!* - Luke Colins 2018-08-07  
Through step-by-step instructions and images, learn to draw silly sketches of bobblehead creations. Bring together art and laughter with this hilarious series. From putting food on human legs to silly bobblehead creations, step-by-step instructions and images will guide readers to create their own silly sketches.

What Can a Crane Pick Up? - Rebecca Kai Dotlich 2014-09

Illustrations and rhyming text show that a crane can lift anything from a load of steel to a cow. From an award-winning author and the illustrator of *The Gingerbread Man Loose in the School* and *Rabbit Rabbit*.

**Let the Children March** - Monica Clark-Robinson 2018

Coretta Scott King Honor Award for Illustration 2019 I couldn't play on the same playground as the white kids. I couldn't go to their schools. I couldn't drink from their water fountains. There were so many things I couldn't do. In 1963 Birmingham, Alabama, thousands of African American children volunteered to march for their civil rights after hearing Dr. Martin Luther King Jr. speak. They protested the laws that kept black people separate from white people. Facing fear, hate, and danger, these children used their voices to change the world. Frank Morrison's emotive oil-on-canvas paintings bring this historical event to life, while Monica Clark-Robinson's moving and poetic words document this remarkable time.

**Deadly Wish** - Sarah L. Thomson 2017-09-26  
This sequel to *Deadly Flowers* is a fast-paced

and compelling read with a multitude of astonishing plot twists. Kata is one of the best employees of a master thief until he sells her to Madame Chiyome, the woman who trained Kata as a ninja. It turns out that Madame Chiyome has been hired by Kata's enemy, Saiko, to capture Kata and the magical pearl she possesses. But while escaping her enemies, Kata puts her trusted group of friends in danger. Should Kata stay loyal to her mission, as a true ninja would, or to her friends? Can Kata trust the fellow thief who says he is in love with her and wants to help her? The themes of trust versus independence underlie each of Kata's decisions as she tries to get the pearl out of Japan to weaken the demon within it. As Kata faces one obstacle after another, including a wide range of supernatural creatures, she is tempted to make a wish to save herself, even though could it be the last wish, the one that frees the demon and lets him take her soul. Will her sense of duty and honor prevail against all odds?

**Gila Monsters** - Rebecca Sabelko 2019-08-01  
Gila monsters are as fascinating as they are elusive. Burrowed underground, these colorful carnivores hunt at dawn and eat just four times a year. Curious students will love this journey across the southwestern desert!

**Don't Push the Button!** - Bill Cotter 2013-11  
There's only one rule in Larry's book: don't push the button. (Seriously, don't even think about it!) Even if it does look kind of nice, you must never push the button. Who knows what would happen? Okay, quick. No one is looking... push the button. Uh, oh.

**Monster Needs a Costume** - Paul Czajak 2013-09-03

It's almost Halloween, and Monster needs to decide what he's going to be. With so many options — a fireman, a ballerina, a cowboy, a ninja—how will he ever decide? In this playful, rhyming story, Monster shows young readers that sometimes being creative and daring to try something new are the best solutions.

**Bowker's Directory of Videocassettes for Children 1999** - R R Bowker Publishing 1999-03

Pirate Penguin Vs. Ninja Chicken - Ray Friesen 2011

Pirate Penguin and Ninja Chicken are friends. Or maybe they're enemies. Heck, if they can't keep track, then how can we!? Whatever they are, they're definitely hilarious. We think you'll like this book: there are about a bajillion jokes inside, and it's filled with action, adventure and arguments. Sometimes the stories are really teeny, about stuff like ice cream smoothies or making fun of your friends (just like real life!), and sometimes the story gets really epic-tastic,

filled with spaceships and giant monsters and evil koalas and stuff (just like real life!). Plus, since it's about pirates, there are at least 17 swordfights (that's the rule with pirates). Perfect for friends, enemies, and "frenemies," this full-color collection of wacky adventures will keep you cracking up with no "troublem."

**Box Set Children's Books: Horse Picture Book - Horse Facts & Frog Picture Book For Kids** - Kate Cruise 2014-08-09

This 2 In 1 Box Set Compilation includes Kate Cruise intriguing and interesting frog & horse fact book for kids. The compilation includes: Book 1: 265 Million Years Ago...Until Today...FROGS ROCK!
