Oak doesn't understand why her family had to move to Southern California. She has to attend a new school, find new friends, and live in a new house that isn't even ready—her mother had to cut down a tree on their property line in order to make room for a second floor. Stoner & Spaz - Ron Koertge 2011-04-26
A funny, in-your-face novel starring an unlikely teenage pair - a sheltered cinemaphile with cerebral palsy and the tattooed, straight-talking stoner who steals his heart. For sixteen-year-old Ben Bancroft - a kid with cerebral palsy, no parents, and an overprotective grandmother - the closest thing to happiness is hunkering alone in the back of the Rialto Theatre watching *Bride of Frankenstein* for the umpteenth time. Of course he waits for the lights to dim before making an entrance, so that his own lurching down the aisle doesn't look like an ad for *Monster Week*. The last person he wants to run into is drugged-up Colleen Minou, resplendent in ripped tights, neon miniskirt, and an impressive array of tattoos. But when Colleen climbs into the seat beside him and rests a woozy head on his shoulder, Ben has that unmistakable feeling that his life is about to change. With unsparing humor and a keen flair for dialogue, Ron Koertge captures the rare repartee between two lonely teenagers on opposite sides of the social divide. It's the tale of a self-deprecating protagonist who learns that kindred spirits can be found for the looking - and that the incentive to follow

your passion can be set into motion by something as simple as a human touch.

The Last Lecture - Randy Pausch 2008-04-08

"We cannot change the cards we are dealt, just how we play the hand."---Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--"Really Achieving Your Childhood Dreams"--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

When the brothers start their own band, their lives begin to change: they meet friends, they attract girls, and they finally get invited to join a national tour and get out of their rat box little town. to Stage Four. Not only are his dreams of punk rock stardom completely shredded, there is a very real threat that this is one battle that can't be won. While Rob suffers through nightmarish treatments and debilitating surgery, Nat continues on their band's road to success alone. But as Rob's life diverges from his brother's, he learns to find strength within himself and through his music. *Die Young with Me* is a "raw, honest picture of the weirdness of growing up" (Marky Ramone) and the story of a brave teen's battle with cancer and the many ways music helped him cope through his recovery.

This Book Is Not Yet Rated - Peter Bognanni
2019-04-09

In this enormously funny, smart, and moving contemporary YA novel, fighting for the thing you love doesn't always turn out like in the movies. "Hilarious, big-hearted, poignant...An unadulterated triumph." --Jeff Zentner, author of *The Serpent King* Movies have always helped Ethan Ashby make sense of the world. So when developers swoop in and say the classic Green Street Cinema is going to be destroyed to make room for luxury condos, Ethan is ready for battle. And so a motley crew of cinema employees comes together to save the place they love: There's Sweet Lou, the elderly organist with a penchant for not-so-sweet language; Anjo, the too-cool projectionist; Griffin and Lucas who work concessions, if they work at all; and Ethan, their manager (who can barely manage his own life). Still, it's going to take a movie miracle for the Green Street to have a happy ending. And when Raina Allen, Ethan's oldest friend (and possible soul mate?), comes back to town after working in Hollywood--cue lights and music--it seems that miracle may have been delivered. But

life and love aren't always like in the movies. Kidnapped by the Pirate - Keira Andrews 2017
Will a virgin captive surrender to this pirate's sinful touch? Nathaniel Bainbridge is used to hiding, whether it's concealing his struggles with reading or his forbidden desire for men. Under the thumb of his controlling father, the governor of Primrose Isle, he's sailing to the fledgling colony, where he'll surrender to a respectable marriage for his family's financial gain. Then pirates strike and he's kidnapped for ransom by the Sea Hawk, a legendary villain of the New World. Bitter and jaded, Hawk harbors futile dreams of leaving the sea for a quiet life, but men like him don't deserve peace. He has a score to settle with Nathaniel's father—the very man whose treachery forced him into piracy—and he's sure Nathaniel is just as contemptible. Yet as days pass in close quarters, Nathaniel's feisty spirit and alluring innocence beguile and bewitch. Although Hawk knows he must keep his distance, the desire to teach Nathaniel the pleasure men can share grows uncontrollable. It's not as though Hawk would ever feel anything for him besides lust... Nathaniel realizes the fearsome Sea Hawk's reputation is largely invented, and he sees the

lonely man beneath the myth, willingly surrendering to his captor body and soul. As a pirate's prisoner, he is finally free to be his true self. The crew has been promised the ransom Nathaniel will bring, yet as danger mounts and the time nears to give him up, Hawk's biggest battle could be with his own heart. Munmun - Jesse Andrews 2018-04-03

In an alternate reality a lot like our world, every person’s physical size is directly proportional to their wealth. The poorest of the poor are the size of rats, and billionaires are the size of skyscrapers. Warner and his sister Prayer are destitute—and tiny. Their size is not just demeaning, but dangerous: day and night they

face mortal dangers that bigger richer people don’t ever have to think about, from being mauled by cats to their house getting stepped on. There are no cars or phones built small enough for them, or schools or hospitals, for that matter—there’s no point, when no one that little has any purchasing power, and when salaried doctors and teachers would never fit in buildings so small. Warner and Prayer know their only hope is to scale up, but how can two littlepoors survive in a world built against them? A brilliant, warm, funny trip, unlike anything else out there, and a social novel for our time in the tradition of 1984 or Invisible Man. Inequality is made intensely visceral by an adventure and tragedy both hilarious and heartbreaking.

Stereotypes, sexuality, and destructive rumors collide in this smart YA novel for fans of Sara Zarr's *Story of a Girl*, Siobhan Vivian's *The List*, and E. Lockhart's *The Disreputable History of Frankie Landau-Banks*. When Rebecca Rivers lands the lead in her school's production of *The Crucible*, she gets to change roles in real life, too. She casts off her old reputation, grows close with her four rowdy cast-mates, and kisses the extremely handsome Charlie Lamb onstage. Even Mr. McFadden, the play's critical director, can find no fault with Rebecca. Though "The Essential Five" vow never to date each other, Rebecca can't help her feelings for Charlie, leaving her both conflicted and lovestruck. But the on and off-stage drama of the cast is eclipsed by a life-altering accusation that threatens to destroy everything...even if some of it is just make believe.
