Read the Bible for Life - George H. Guthrie 2011-01-01

The Bible may be the most-purchased book in the world, but it is often the least read and least applied due to a basic lack of understanding and motivation on the part of readers. Read the Bible for Life aims to improve biblical literacy in the culture and the church by simultaneously moving readers toward greater skill in reading the Bible well and toward a deeper commitment to applying Scripture to everyday life. Through a series of down-to-earth conversations with some of today's brightest scholars, author George Guthrie discusses the basic tools and attitudes needed to read the Bible more effectively. Chapters focus on the various types of literature in Scripture and how to read them well. For instance, how should we read a psalm differently than we read a parable? How should we read a story of the Old Testament differently than we read a letter from Paul? How can we engage these various parts of Scripture in a way that is truly life-changing? The book also discusses issues such as reading the Bible in context, choosing and reading a Bible translation, reading in times of sorrow or suffering, and reading the Bible with your family. As we better understand how to read the Bible skillfully, we begin to see how every person of the Bible, every psalm, and every teaching fits into the Bible's powerful, overarching story, and we begin to realize our place in the story God is still writing in the world. Endorsements "In the church's dry desert of biblical illiteracy, this book is a drink of cold, refreshing water. With pastoral sensitivity and practical skill, George Guthrie is equipping us to know, understand, and apply the treasures of God's Word in a way that will transform our lives and our communities for the glory of our God. I wholeheartedly recommend Read the Bible For Life for every Christian and every leader in the church." —David Platt, New York Times best-selling author of Radical "In a culture where biblical illiteracy continues to spread like the proverbial plague, George Guthrie has introduced a healing medicine in the form of Read the Bible for Life. This overview of the Bible's nature and content will be welcomed in churches intent on developing biblically grounded followers of Christ. The book's conversational approach provides an easy entry for a generation that tends to read only headlines. With fresh insights for the long time student of God's Word and accessible material for the new student, it is a resource I recommend for all believers." —Ed Stetzer, coauthor, Transformational Church "The genuine

give and take of conversation is key to the Christian community's deeper grasp of the Scriptures. Read the Bible for Life is a celebration of biblical conversation between friends who really love the Word. Hopefully, lots of people will join in." —Michael Card, award-winning musician and author

To Light a Penny Candle - Alex Lawson 2011

To Light a Penny Candle offers Christmas and Easter devotionals full of colour, poetry, and joyful symbolism to touch our souls in many ways. These holidays, in particular, are a delight for every preacher, with their endless variety of themes and rich messages. The sermons in this collection were written at the height of author Alex Lawson's ministry; preaching was, for him, an activity of great joy. Alex loves the challenge of telling the old, old stories in new and exciting ways. His personal art of preaching shows the influence of two main factors: his extensive training in psychotherapy and his many visits to the lands of the Bible-Israel, Jordan, Egypt, Turkey, and Palestine. His sermons reflect his experiences in both cases, offering added insight into the biblical stories he relates. These are topical, homespun sermons, preached to congregations of prairie folk; they surprise and delight with flashes of insight and wisdom, painting in memorable and often lyrical terms a picture of a loving God, as well as a portrait of his loving minister. "Alex Lawson has a way of touching souls, lifting spirits, and bringing scripture alive." -Maxine Reidell, psychotherapist
