Salon Fundamentals Esthetics - Pivot Point International, Incorporated 2004

Step-by-step technicals: Photos and accompanying text help students visualize procedures as they move through every step of a process. The easy-to-follow format significantly raises self-confidence, making a seamless transition to hands-on applications. Real-life scenarios: On the last page of every chapter, we offer students a chance to apply their new knowledge. Hypothetical scenarios require students to use decision making skills mastered in that chapter. It is a chance for students to mentally leave the classroom and envision themselves as successful professionals. Key concepts: Throughout each chapter, we use

imaginative ways to call attention to key points. Look for colored text, bold print, bullets, and charts. These relate to important theories your students must remember and makes chapter review for tests much easier! Learning strategy: More complex technicals include a checkmark beside any step that calls for specific safety precautions. This indicates an ideal moment to check on a client's comfort level. - Publisher.

Selecting, Preparing And Developing The School District Superintendent - David S.G. Carter 2013-11-05
Growing discontent with the performance of educational institutions is common in the USA today and little is being done to address the real problem - that of the need to reform and restructure the entire educational system. A key issue in this reform is the training and development of leaders in educational administration; as experienced "leaders" retire, so new professionals are called to assume the mantle of the "old hands" and vital new opportunities exist for those willing to take up the challenge.; This vitally practical text is about the selection, preparation and professional development of aspiring school leaders over the course of their careers, concentrating on ways to increase their overall effectiveness - particularly in changing times. It looks at changes that have been made and considers what can be adapted from existing systems in order to make radical improvements for those in leadership positions.; It is intended for use by postgraduate students in education, teacher trainings, heads of education faculties and teachers in leadership positions, school board members and aspirant superintendents.

Abhorsen - Garth Nix 2009-10-06

In the final book in the Old Kingdom trilogy, master of fantasy and globally bestselling author Garth Nix returns to the fantastic world of Sabriel for an unforgettable conclusion. "Breathtaking, bittersweet, and utterly unforgettable." * After centuries in captivity, the Destroyer is nearly free. Beneath the earth, a malignant force lies waiting, greedy for freedom from its ancient prison. As the Old Kingdom falls once more into a realm of darkness and terror, the people look desperately to the Abhorsen, the scourge of the Dead, to save them. Yet Abhorsen Sabriel is lost, missing in Ancelstierre. Only Lirael has any chance of stopping the Destroyer. With her companions Sameth, Mogget and the Disreputable Dog, she travels across the Old Kingdom in a race against time, battling Shadow Hands and dark necromancers to reach Ancelstierre before it is too late. But what hope can one young woman have against a terrible evil with the power to destroy life itself? This eagerly awaited conclusion to Garth Nix's extraordinary trilogy of Old Kingdom books is a complex and vividly imagined story, powerful, terrifying and compelling. "Terror, courage, bitterness, love, desperation, and sacrifice all swirl together in an apocalyptic climax that pits both Life and Death together against the destruction of everything." —Kirkus*

Introduction to Mythology - Eva M. Thury 2009

Introduction to Mythology: Contemporary Approaches to Classical and World Myths introduces students to a wide range of myths from various critical perspectives. Featuring original texts from sources around the world, it includes readings from Greek and Roman classics (by Homer, Hesiod, Ovid, and other writers); Nordic mythology (by Snorri Sturluson); Hindu culture (The Ramayana); Chinese mythology (Nu Kwa); and from such ancient works as The Epic of Gilgamesh, the Bible, and, new to this edition, the Enuma Elish. Selections from Native-American sources and fairy tales and stories from Africa, Germany, and the United States are also included. In addition, the authors draw comparisons between classical myths and such contemporary cultural phenomena as Daniel Boone, The Wizard of Oz, and, new to this edition, Firefly and Harry Potter. They also incorporate readings by Carl Jung, Levi-Strauss, Victor Turner, and other theorists who consider mythic material from different analytical perspectives. Finally, works by Milton, Keats, Updike, and Joyce are presented as examples of modern literary texts with mythological roots. The selections are organized into seven topical sections: myths of creation and destruction; hero and trickster myths; ritual and myth; myths and dreams; folktale and myth; contemporary myths; and myths and literature.
