## **Amari and the Great Game** - B. B. Alston 2022-08-30

Sequel to the New York Times bestseller Amari and the Night Brothers! Artemis Fowl meets Men in Black in this magical second book in the New York Times and Indie bestselling Supernatural Investigations trilogy—perfect for fans of Tristan Strong Punches a Hole in the Sky, the Percy Jackson series, and Nevermoor. After finding her brother and saving the entire supernatural world, Amari Peters is convinced her first full summer as a Junior Agent will be a breeze. But between the fearsome new Head Minister's strict anti-magician agenda, fierce Junior Agent rivalries, and her brother Quinton's curse steadily worsening, Amari's plate is full. So when the secretive League of Magicians offers her a chance to stand up for magiciankind as its new leader, she declines. She's got enough to worry about! But her refusal allows someone else to step forward, a magician with dangerous plans for the League. This challenge sparks the start of the Great Game, a competition to decide who will become the Night Brothers' successor and determine the future of magiciankind. The Great Game is both mysterious and deadly, but among the winner's magical rewards is Quinton's last hope—so how can Amari refuse?

## *Digital Organization Tips for Music Teachers* - Robby Burns 2016

Are you a music teacher searching for sanity in the midst of all your chaotic responsibilities? Music teachers have to do so much more than teach music. They have to be master musicians, educators, and conductors, all while balancing other professional disciplines like arranging, composing, trip planning, financing, and more. The parts of the job that take our sights off of great teaching must be managed so that we can focus on what counts: the music. If you are feeling overwhelmed by the logistics of your job, you are in luck- there is an app for that! Actually, a lot of apps. And Digital Organization Tips for Music Teachers is here to tell you all about them. Whether you can barely turn your computer on or if you are just looking for tips on how to make your work more efficient, there is something in store for you. The technologies in this book are presented in bite sized descriptions of desktop and mobile apps, followed by applications of how they can solve specific problems that music teachers experience every day. Each chapter covers a different type of data that music teachers have to organize, ranging from notes, to tasks, to scores and audio recordings.

**Idea Man** - Paul Allen 2011-04-19

By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.
