Must Know High School Basic Spanish - Jean Yates 2019-06-28

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. The new Must Know series is like a lightning bolt to the brain Developing a good grasp of Spanish doesn't have to be a frustrating experience. This book offers a unique approach to self-study that makes it easier to build new Spanish skills. Every school subject has must know ideas, or essential concepts, that lie behind it. This book will use that fact to help you learn in a unique way. Most study guides start a chapter with a set of goals, often leaving the starting point unclear. In Must Know High School Basic Spanish, however, each chapter will immediately introduce you to the must know idea, or ideas, that lie behind the new Spanish topic. As you learn these must know ideas, the book will show you how to apply that knowledge to speaking, reading, and writing Spanish. Focused on the essential concepts of Spanish, this accessible guide will help you develop a solid understanding of the subject quickly and painlessly. Clear explanations are accompanied by numerous examples and followed with more challenging aspects of Spanish. Practical exercises close each chapter and will instill you with confidence in your growing Spanish skills. Must Know High School Basic Spanish features:

- Each chapter begins with the must know ideas behind the new topic
- Extensive examples illustrate these must know ideas
- Students learn how to apply this new knowledge to speaking, reading, and writing Spanish
- 250 practical review questions instill confidence
- IRL (In Real Life) sidebars present real-life examples of the subject at work in culture, science, and history
- Special BTW (By the Way) sidebars provide study tips, exceptions to the rule, and issues students should pay extra attention to
- Bonus app includes 100 flashcards to reinforce what students have learned

Avanti!: Beginning Italian - Janice Aski 2009-01-21

Welcome to the second edition of Avanti! In the new edition out priorities remain the same as those of the first edition, to provide an introductory language course that meets the needs of both instructors and learners. Three significant characteristics set Avanti! apart from other first-year Italian texts: First, Avanti! satisfies students' desire to communicate in everyday situations right from the start and to explore Italy's rich and unique culture in meaningful ways. Second, Avanti! responds to instructors' concern that most textbooks attempt to cover too much material in the first year. We have designed an elementary course that reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction. Third, the methodology of Avanti! is firmly grounded in current findings of research in second language acquisition and foreign language pedagogy. The materials provide support for instructors, particularly those with limited experience, whose goals are to teach mainly, if not exclusively, in Italian, and to create the student-centered, communicative classroom environment that is promoted by this research. The title Avanti! was chosen to convey the forward-thinking approach of this exciting new program.

Vis-à-vis - Evelyne Amon 2004

The third edition of Vis-à-vis continues the excitement of the innovative second edition with a fully integrated and revised multimedia package and updated cultural information presented in the "Correspondance" feature (chapter opening letter, postcard, or e-mail, which is answered in the mid-lesson "Correspondance" cultural spread) and in the new "Bienvenue dans le monde francophone" feature that recurs after every four chapters in the text. The overall goal of the revision remains the same as that of the second edition: to promote a balanced four-skills approach to learning French through a wide variety of listening, speaking, reading, and writing activities, while introducing students to the richness and diversity of the Francophone world.

**LL FOR PUNTOS DE PARTIDA** - Anne Becher 2016-01-04

It's more than a text. It's a program. Success in the language classroom requires so much more than just a text. In any language-learning setting, students require numerous and various opportunities to read, write, hear, and speak. Puntos de partida sets the standard for Spanish-language teaching. An innovative program that has been continuously refined for today's classroom, Puntos delivers proven pedagogy with clear and effective presentations, comprehensive teaching resources, and powerfully adaptive digital tools. Now in its anniversary Tenth Edition, Puntos builds on the holistic, five-skills approach it pioneered. It's the Puntos you know. It's the Puntos of today. Puntos hallmark features include: Engaging and Immersive Digital Tools: Connect Spanish is the most powerful and flexible course management system available. Rooted in research on effective student learning practices, the platform integrates adaptive learning tools with dynamic, engaging language practice activities. McGraw-Hill's LearnSmart provides each student with a personalized and adaptive learning experience based on individual needs. Connect Spanish also provides the instructor with both the ability and flexibility to pull from the robust set of content available in the platform and craft a unique learning path based on the goals of the course. With Practice Spanish: Study Abroad, the market's first 3-D immersive language game designed exclusively by McGraw-Hill, Puntos brings the language to the students in a fun, engaging, and immersive gaming experience. Students "study abroad" virtually in Colombia where they will create their very own avatar, live with a host family, make new friends, and navigate a variety of real-world scenarios using their quickly developing Spanish language skills. The first and only analytics tool of its kind, Connect Insight is a series of visual data displays—each framed by an intuitive question—to provide instructors at-a-glance information regarding how your class is doing. Connect Insight provides analysis on five key insights, available at a moment's notice from your Connect course. A Comprehensive scope and sequence: The comprehensive scope and sequence allows instructors to choose what to cover throughout the course without having to supplement their own materials to fill gaps present in other texts. Carefully arranged organization: the overall organization carefully progresses from formulaic expressions to vocabulary and grammar relevant to daily life and personal interests (studies, family, home,leisure activities), then goes on to prepare students for survival situations(ordering a meal, traveling), and finally branches out to broader themes(current events, social and environment issues). This forward progress is reinforced by a cyclical structure where vocabulary, grammar, and language functions are continuously reviewed and recycled. Clear and effective vocabulary and grammar presentations: Puntos' approach to vocabulary and grammar focuses on the acquisition of vocabulary during the early stages of language learning and then at the start of each chapter throughout the text.Grammar is introduced in thorough explanations, with careful attention given to skills development rather than grammatical knowledge alone. These explanations are now even more accessible to students, featuring conversational language, increased clarity,additional examples, and organization of complex, dense explanations into manageable chunks of concise grammar summary. Integrated four-skills approach: Puntos carefully sequences activities, moving students from controlled to free-form tasks. In the tenth edition, this overall scaffolding is improved and introduced at the individual activity level.Starting with the very first activity fol

**Looseleaf for Experience Spanish** - Michael Morris 2011-12-16

Your students are changing. Technology is changing. The idea of the “classroom” is changing. Now, the way your students experience Spanish can change as well! At McGraw-Hill, we rededicated ourselves over the past few years to broadening and deepening our understanding of the student and instructor experience in World Languages. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we identified a number of areas for improvement upon the existing learning materials available. The result is Experience Spanish. Experience Spanish is a first. Its groundbreaking adaptive diagnostic and synchronous/asynchronous conversation tools create a 24/7 active language-in-culture environment never possible before. With Experience Spanish, instructors can tailor the environment while students tailor the experience, allowing everyone to take ownership of the learning experience. Affording the flexibility that only an integrated solution can provide, Experience Spanish provides an opportunity for instructors to quickly and easily provide a common learning experience for their students regardless of whether the course is face-to-face, online, or hybrid. At the same time, students have all of the tools at their fingertips to take their second language acquisition from the classroom to their communities in an efficient and personalized way. With Experience Spanish, your concerns about different levels of student preparedness and delivering consistent and meaningful courses in different formats are behind you. Own the experience. Take charge of learning. Experience Spanish and experience the world.

Looseleaf for Conéctate - Darcy Lear 2015-01-06

Students of Introductory Spanish learn best when they are connecting—with authentic culture, with each other as a community, and with the language as used in real-world settings. Conéctate sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Conéctate program’s distinctive approach is built around the following principles. Focused approach: Conéctate concentrates on what Introductory Spanish students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, Conéctate’s reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Conéctate. Active learning: Conéctate gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Conéctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout Conéctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand, and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. Conéctate’s stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available in the Connect Spanish platform with Conéctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peerediting, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. \*Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.
