Blood of Angels - Reed Arvin 2009-10-13

Reed Arvin's previous novel, *The Last Goodbye*, was "the best thing a thriller can be: suspenseful, intelligent, and well written" (Harlan Coben), and had the critics raving: People magazine stated, "You'll be hooked," and the New York Times declared it "sultry, devious, adrenaline-boosting suspense." Now comes a vivid and haunting tale of one man's search for the truth -- no matter what the consequences. Thomas Dennehy, senior prosecutor in Davidson County, Tennessee, doesn't recognize Nashville anymore: a decade of relentless immigration means cops are learning Spanish, and the DA's office is looking for Vietnamese translators. Thomas's latest case is prosecuting Moses Bol, a Sudanese refugee who faces the death penalty for killing a white woman in the Nations, a notorious, racially charged part of town. Bol's conviction seems certain, until a university professor claims Thomas sent the wrong man to the death chamber in a previous case. The DA's office is rocked to its core, but within days another blow falls: a beautiful and brilliant anti-death penalty activist mysteriously surfaces as Bol's alibi, claiming she was with him at the time of the crime. Bol's case becomes a lightning rod as protesters on all sides converge on Nashville and tensions threaten to explode. Meanwhile, Bol's alibi has her own secrets -- and is terrified of someone working behind the scenes to get what he wants -- even if it means murder. Will Dennehy be able to piece things together before everything he believes about the law, and about justice, is torn apart? Vivid with the emotional complexity that has become the hallmark of Reed Arvin's work, *Blood of Angels* is filled with nonstop action, impeccable detail, and unforgettable characters, making this a novel that is impossible to resist.

"Like Interview with the Vampire, Memnoch has a half-maddened, fever-pitch intensity. . . .

Narrated by Rice's most cherished character, the vampire Lestat, Memnoch tells a tale as old as Scripture's legends and as modern as today's religious strife." --Rolling Stone "SENSUAL . . . BOLD, FAST-PACED." --USA Today "Rice has penned an ambitious close to this long-running series. . . . Fans will no doubt devour this." --The Washington Post Book World "MEMNOCH THE DEVIL OFFERS PASSAGES OF POETIC BRILLIANCE." --Playboy "[MEMNOCH] is one of Rice's most intriguing and sympathetic characters to date. . . . Rice ups the ante, taking Lestat where few writers have ventured: into heaven and hell itself. She carries it off in top form." --The Seattle Times

Lucifer's Revenge - Patricia Fish 2018-04-23

What would you do if you were FORCED to stay away from your children? Would you fight to get them back? Or would you just let them grow up knowing that they had a father but never knowing who he really was? 10 years ago, Lucifer took a girl away from his brother, the one Gabriel was assigned to watch over and keep safe and even though love is forbidden he fell in love with her. Lucifer stole this girl from his brother Gabriel and locked her away in a hotel he built in the caves of the Underworld. Then as he kept her locked away from the world he came into her room and had his way with her through a rough and forceful night of passion without her consent, forcing her to make love to him. Weeks after Gabriel and the angels finally broke into the Underworld to rescue the girl, she found out she was with child, Lucifer's child. 8 months later she gave birth to two beautiful twin girls by the names of Sara and Sophia, named after her mother and Gabriel's mother. Now the girls are 17 years old and about to graduate from High School with honors. They were born Nephilim which is half angel and half human and smarter than any human alive because that was the trait of a Nephilim child, born with more knowledge and ability to learn more than that of human children. Lucifer wants them back and will do what it takes to get what is rightfully his. For years he has watched them grow through the viewing pond provided by his father to view the outside world and now he's angry and wants to bring them home no matter the cost or whom he hurts. Will he succeed or will there be another fight among the angelic brothers? And

how will Mia, the girl Lucifer stole away from his brother react when she finds out Lucifer's back and wants to take away the most important treasures of her life?

Angel Undone - Leta Blake 2016-07-18

The Archangel Michael is tired. He fought wars and shoved his brother Lucifer out of heaven all before the Dark Ages rolled around. His role as protector of Israel now encompasses all of humanity, and while he performs his job perfectly, there's little personal joy in it. Until one night in a bar when he meets Asher. Michael isn't sure what it is about the vulnerable, self-deprecating Asher that calls to him, but something about his restrained depths, gentle smiles, and encyclopedic knowledge of flowers tugs at Michael in a way that can't be denied. Too bad romance isn't part of his mission. Facing an eternity of perfect submission to God's authority, rebellion stirs in Michael. Questions of free will, angelic vocation, and the role of love and lust demand answers that just might cost Michael his place in heaven. Warnings: this novella contains urban fantasy, wings, angels doing unangelic things, erotic content, and playful blasphemy.
