[The One and Only Sparkella](#) - Channing Tatum  
2021-05-04

An Instant #1 New York Times Bestseller! A Publishers Weekly Bestseller! Leading actor, producer and director Channing Tatum's picture book debut, *The One and Only Sparkella* is a charming ode to self-esteem and the love between a father and daughter—illustrated by Kim Barnes. Ella is excited for her first day at a new school. Glimmering pencil case? Check! Shimmering backpack? Check! Glittery ribbons in her hair? Check! She can't wait to meet the other kids and share her sparkly personality. But her first day doesn't go quite as planned: Her new classmates don't like her disco-ball shoes, her PB&J-with-sprinkles sandwich, or her rainbow-y unicorn painting. Ella decides to try to be less sparkly at school the next day so the other kids won't make fun of her. But with a little help from her dad, she soon learns the importance of just being herself, no matter what other people say.

*Brutal Prince* - Sophie Lark 2020

**No Words Alone** - Autumn Dawn 2008

Stranded on a hostile alien planet, a beautiful young translator is forced to choose between trusting her own crewmates or the noble commander of the alien race that shot down her spacecraft. Original.

**Just One Spark** - Carly Phillips 2022-01-18

He's a playboy rock star who needs a fake girlfriend. Except the only one available already stole his heart. Dash Kingston is living the rock 'n' roll dream. Fame, money, groupies, rolling up to red-carpet events in his baby, a Ferrari V12. Until a very real baby scare threatens to bring it

all crashing down. Talk about a wake-up call. Dash knows things need to change. But to clean up his playboy image, he's going to need help from the second biggest mistake he ever made—a California blonde who blew his mind and left him with a scary case of the feels that sent him running. Now he needs a fake girlfriend and she's the perfect woman for the job. Not to mention time together will give him a chance to win her over. A few months ago, Dash offered a shoulder for Cassidy Forrester to cry on. Somehow they wound up spending the night together. A night she thought meant something—until she woke up alone. She's now serving as the band's temporary personal assistant. But acting as Dash's fake girlfriend is definitely not part of the job description. For the band's sake, she agrees to play the role. But only a fool would make the same mistake twice, and Cassidy refuses to let their spark burn her a second time.

*Starry-Eyed Love* - Helena Hunting 2022-05-10  
Charming, hilarious, and emotional, *Starry-Eyed Love* is Helena Hunting at her very best! Having just broken up with her boyfriend, London Spark is not in the mood to be hit on. Especially not when she's out celebrating her single status with her sisters. So when a very attractive man pays for their drinks and then slips her his number, she passes it right back to him with a 'thanks, but no thanks'. As the business administrator for their family's event hotel, the Spark House, London has more important things to worry about, like bringing in new clientele. As luck would have it, a multi-million-dollar company calls a few months later asking for a meeting to discuss a potential partnership, and London is

eager to prove to her sisters, and herself, that she can land this deal. Just when she thinks she has nailed her presentation, the company's CEO, Jackson Holt, walks in and inserts himself into the meeting. Not only that, but he also happens to be the same guy she turned down at the bar a few months ago. As they begin to spend more time together, their working relationship blossoms into something more. It isn't until their professional entanglements are finally over, that London and Jackson are finally ready to take the next step in their relationship. But between Jackson's secretive past and London's struggle with her sisters, London must question where she really stands - not just with Jackson, but with the Spark House, too.

**Spark (Ink Trilogy Book 2)** - Alice Broadway  
2018-04-05

Leora is reeling: questioning everything she has ever known about her family and herself. As half-Marked and half-Blank, will she ever wholly belong in either community? She sets off to find Featherstone, home of her mysterious Blank birth mother, but will she find solace and safety or a viper's nest of suspicion?

**Spark** - Jay Marie 2018-01-31

HERThere are not enough words to describe my internal torment. I knew there would be consequences for what I did. I knew this would be hard. But it's so much harder than I ever want to admit. Physically broken, mentally drained, and legally dead, I now find myself wasting away on an island in the middle of the Bahamas. Darren has left me in isolation for my own recovery and the only thing I can be grateful for is the fact that my isolation includes him. But I know he won't be able to stay away for long. Eventually he'll be back to reclaim what's his and remind me of all the things I hate about him. How he's able to twist fear with pleasure to create the most destructive combination, how it rushes through my blood and simmers under my skin, making me come alive and burn for more. Sometimes I don't know who I hate more, him or myself? After everything that's happened, after everything I've allowed myself to feel, I deserve a little self-hatred. I can feel my will to continue fighting diminishing, the fire in my heart barely more than embers, but I promised Jason I would find him. I promised my family I would find a way back to them. Darren

may own me, but he doesn't own my intentions. And even though he may have broken my body, he will never break my will to survive. I'll find a way. Somehow, I'll find my way out of the dark, even if it's with the tiniest little spark.HIMNothing plagues my mind more than that goddamn, stubborn ass redhead. Too often, I find myself thinking of nothing else, and no matter how many miles I put between us to focus on my work, Jaden still finds a way to kick the damn door down and pull me under. I may not have been able to keep her out of my head, but I was able to keep her hidden away on my private island in the Bahamas. I wanted to ensure her recovery would remain uninterrupted from other potential distractions. It would be pretty tough to escape from an island in the middle of the ocean, surrounded by guards with broken bones and a broken ego. Jaden wasn't going anywhere, not this time, not until I was ready to take her back with me. She had a lot to prove until then. I knew she was more than physically damaged. Her confidence in herself shattered the night I crushed her in my arms and I had a feeling it was going to take a lot of inner strength for her to put it back together. But that was the one thing I knew she had a never-ending supply of. Her strength was admirable and I was confident she'd find it again. I just had to make sure it lacked one thing when we eventually returned home - her desire to kill me. There were two ways I could accomplish that - positive reinforcement or negative reinforcement. I suppose the technique would depend on Jaden's ability to adapt, but knowing her, I was going to have to fight this at every angle ... and didn't I always love a good fight.WARNING: Contains disturbing content that may be offensive to some readers.\*NOTE: For every book that is sold, a portion of the proceeds will be donated to a charity that benefits victims of human trafficking.\*  
*Ride the Stars* - Autumn Dawn 2014-06-26  
*Ride the Stars* Strong-armed into a contract, hustled aboard an alien ship, Jaide and Sesame aren't in the mood to like their new bosses. Mechanical geniuses, they make their living hot-rodding racing ships and revving up military grade war craft. Unfortunately, their Draconian customers aren't willing to go on a waiting list. But there's more to worry about for Jaide than

fending off Skye's determined pursuit and revving up his captain's ship. Someone wants to kill her, her partner is falling for the Drac leader, and she's beginning to suspect there's more to their abduction than meets the eye. As everything she thought she knew is turned upside down, can she have to overcome her distrust of men and reach for a love as powerful as the chance to ride the stars?

**Spark** - Brigid Kemmerer 2011-10-24

The red-hot Merrick brothers return in an electrifying paranormal adventure from the New York Times bestselling author of *Storm*. Gabriel Merrick plays with fire. Literally. Sometimes he can even control it. And sometimes he can't. Gabriel has always had his brothers to rely on, especially his twin, Nick. But when an arsonist starts wreaking havoc on their town, all the signs point to Gabriel. Only he's not doing it. And no one seems to believe him. Except a shy sophomore named Layne, a brainiac who dresses in turtlenecks and jeans and keeps him totally off balance. Layne understands family problems, and she understands secrets. She has a few of her own. Gabriel can't let her guess about his brothers, about his abilities, about the danger that's right at his heels. But there are some risks he can't help taking. The fuse is lit . . . Praise for Brigid Kemmerer and The Elemental Series "Five hot guys, one tough heroine, plenty of romance and non-stop action . . . **Never Eat Alone, Expanded and Updated -**  
Keith Ferrazzi 2014-06-03

The bestselling business classic on the power of relationships, updated with in-depth advice for making connections in the digital world. Do you want to get ahead in life? Climb the ladder to personal success? The secret, master networker Keith Ferrazzi claims, is in reaching out to other people. As Ferrazzi discovered in early life, what distinguishes highly successful people from everyone else is the way they use the power of relationships—so that everyone wins. In *Never Eat Alone*, Ferrazzi lays out the specific steps—and inner mindset—he uses to reach out to connect with the thousands of colleagues, friends, and associates on his contacts list, people he has helped and who have helped him. And in the time since *Never Eat Alone* was published in 2005, the rise of social media and new, collaborative management styles have only made Ferrazzi's advice more essential for anyone hoping to get ahead in business. The son of a small-town steelworker and a cleaning lady, Ferrazzi first used his remarkable ability to connect with others to pave the way to Yale, a Harvard M.B.A., and several top executive posts. Not yet out of his thirties, he developed a network of relationships that stretched from Washington's corridors of power to Hollywood's A-list, leading to him being named one of *Crain's* 40 Under 40 and selected as a Global Leader for Tomorrow by the Davos World Economic Forum. Ferrazzi's form of connecting to the world around him is based on generosity, helping friends connect with other friends. Ferrazzi distinguishes genuine relationship-building from the crude, desperate glad-handing usually associated with "networking." He then distills his system of reaching out to people into

practical, proven principles. Among them: Don't keep score: It's never simply about getting what you want. It's about getting what you want and making sure that the people who are important to you get what they want, too. "Ping" constantly: The ins and outs of reaching out to those in your circle of contacts all the time—not just when you need something. *Never Eat Alone*: The dynamics of status are the same whether you're working at a corporation or attending a social event—"invisibility" is a fate worse than failure. Become the "King of Content": How to use social media sites like LinkedIn, Twitter, and Facebook to make meaningful connections, spark engagement, and curate a network of people who can help you with your interests and goals. In the course of this book, Ferrazzi outlines the timeless strategies shared by the world's most connected individuals, from Winston Churchill to Bill Clinton, Vernon Jordan to the Dalai Lama. Chock-full of specific advice on handling rejection, getting past gatekeepers, becoming a "conference commando," and more, this new edition of *Never Eat Alone* will remain a classic alongside *How to Win Friends and Influence People* for years to come.

**The Spark -** Lara Ingvar 2021-02-25

Kira Bell lives by the principle "the end justifies the means." Lying to her boyfriend, getting a shady job, even taking the risk of parting with her soul—there's nothing she wouldn't do for her family. She finds a job as a personal assistant to the mysterious head of the Azaik Corporation. No one knows that Alexander Dark hides his face from his subordinates for a reason. He is a pureblood Itkhis, whose touch alone can make you lose yourself, becoming a victim of withering, unrequited love. Cold and reserved, Mr. Dark is attracted to the fire Kira has inside her. The Itkhes' world, hidden from prying eyes, sucks Kira in. After all, in this world of luxury, danger, secrets, and vices, she might be able to find her missing mother.

**The Spark -** Vi Keeland 2021-07-12

A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. Before I even met Donovan Decker, I knew his shoe size. You see, I'd gone away for a few days, and in my haste to get out of the airport, I'd grabbed the wrong suitcase. After checking out the expensive footwear and tailored clothes, I dialed the

number on the luggage tag hoping maybe Mister Big Spender might have my bag. A deep, velvety voice answered, and as luck would have it, he had my suitcase, too. Donovan and I met at a coffee shop to do the exchange. Turned out, it wasn't just his voice that was sexy. The man holding my luggage was absolutely gorgeous, and we had an immediate spark. He got me to admit that I'd snooped in his bag and then convinced me to make it up to him by letting him buy me coffee. Coffee led to dinner, dinner led to dessert, and dessert led to spending an entire weekend together. Donovan wasn't just handsome with a panty-dropping voice. He was also funny, smart, and surprisingly down to earth for a man who wore seven-hundred-dollar shoes. Did I mention he also did my laundry while I slept? Definitely too good to be true. So what did I do to repay him for his kindness? I waited until he was in the shower, then ghosted him. My life was too complicated for such a great guy. In the months that passed, I thought about Donovan often. But New York City had eight-million people, so what were the chances I'd run into him? Then again, what were the chances I'd run into him a year later...when I'd just started dating his boss?

*How to Not Die Alone* - Logan Ury 2021-02-02  
A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: - What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) - How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you find, build, and keep the relationship of your dreams.

**Fahrenheit 451** - Ray Bradbury 2003-09-23  
A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

**No Words** - Meg Cabot 2021-10-12

Meg Cabot, #1 New York Times bestselling author of *The Princess Diaries*, returns to Little Bridge Island with a new story about a children's book author with a case of writer's block and an arrogant novelist who have to set aside their differences as they get through a weekend long book festival that just might change everything—including their feelings for each other. Don't Judge a Book by Its Author...

Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys. Jo Wright always swore she'd never step foot on Little Bridge Island—not as long as her nemesis, bestselling author Will Price, is living there.

Then Jo's given an offer she can't refuse: an all-expense paid trip to speak and sign at the island's first ever book festival. Even though arrogant Will is the last person Jo wants to see, she could really use the festival's more-than-generous speaking fee. She's suffering from a crippling case of writer's block on the next installment of her bestselling children's series, and her father needs financial help as well. Then Jo hears that Will is off-island on the set of the film of his next book. Hallelujah! But when she arrives on Little Bridge, Jo is in for a shock: Will is not only at the book festival, but seems genuinely sorry for his past actions—and more than willing not only to make amends, but prove to Jo that he's a changed man. Things seem to be looking up—until disaster strikes, causing Jo to wonder: Do any of us ever really know anyone? *Michael Vey 7* - Richard Paul Evans 2017-09-12  
The Electroclan must find Michael Vey who has gone missing.

**The Giver** - Lois Lowry 2014

Eric struggles to step aside and trust Velaney...but will his past keep him from doing so? Can he let go in order to move forward? Velaney and Eric had their fair share of ups and downs in SPARK...their love was undeniable and intense. Just when you think they could get their happily ever after...pasts collide and merge together...will they fight for what they want? Or will their love crash and burn? FLAME, #3 Carissa Wright doesn't do relationships. Raised with a junkie mother and an alcoholic father, building relationships were far off her list. Rather, one night-stands were her usual. Carissa has one constant in her life-her best friend Velaney. Completely opposite of each other, yet they balance each other out. Although Carissa admits to only wanting sex and nothing more, will she allow the one guy who wants to break down her walls or will she run out of fear for finally letting her guard down? She is unfamiliar with these feelings and wants nothing more than to walk away without a shattered heart. Will she be able to find the courage in

order to turn her flame into a long lasting relationship? With walls built up & emotions turned off, can she learn to put her heart on the line? Or will each guy just be another flame? Due to explicit sexual descriptions and adult language, recommended for readers 18+ only.

**The Little Prince** - Antoine de Saint-Exupéry  
2017-11-04

**A Wrinkle in Time** - Madeleine L'Engle  
2019-07-18

*A Wrinkle in Time* is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

**Spark** - John Twelve Hawks 2015-07-07

After a catastrophic motorcycle accident, Jacob Underwood woke up believing he was already dead. This unusual condition has a name—Cotard's syndrome—and a surprising benefit: Feeling dead makes Jacob frighteningly good at his job. A contract employee of the multinational corporation DBG, he can now carry out his assignments with ruthless precision, untroubled by guilt, fear, dishonor or any moral conflict—the perfect skills for a hired assassin. When a bright young DBG associate vanishes without a trace, likely taking vast sums of money and valuable company information with her, Jacob will pursue her into a labyrinthine network of dark dealings which extend around the globe, and far beyond his understanding. In *Spark*,

master storyteller John Twelve Hawks spins a riveting tale and delves into what it means to be human inside the modern surveillance state.

*Where the Crawdads Sing (Movie Tie-In)* - Delia Owens 2022-06-28

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

*When Sparks Fly* - Helena Hunting 2021-09-21

Charming, hilarious, and emotional... *When Sparks Fly* is Helena Hunting at her very best! Avery Spark is living her best life. Between her friends, her sisters, and Spark House, the event hotel her family owns, she doesn't have much time for anything else, especially relationships. She'd rather hang out with her best friend and roommate, Declan McCormick, than deal with the dating scene. But everything changes when she is in a car accident and needs someone to care for her as she heals. Declan avoids relationships, giving him a playboy reputation that he lives up to when he puts a one-night stand ahead of a promise he made to Avery. While he may not have been the one driving the car, he feels responsible for Avery's injuries and is determined to make it up to her by stepping into the role of caretaker. Little did they know

that the more time they spend in compromising positions, the attraction they've been refusing to acknowledge becomes impossible to ignore. When they finally give in to the spark between them, neither is prepared for the consequences. Their love is fragile and all it will take is a blow from the past to shatter it all.

**Fire, Stone & Water** - Autumn Dawn

2014-06-07

Fire, Stone and Water, books 1 & 2 Scorched Earth Cara's compassion freed three dangerous elementals from a hellish prison. For the first time in centuries, the destroyers of cities are free, with the potential to wreak havoc that could leave a scorched earth. Can Cara give the earth elemental a reason to care, or will the power the Fates unleashed in her be her downfall? One Night to Burn When the stylists told her they would make her hot, Kira didn't believe they meant literally. She never dreamed that at the end of the free makeover, a stranger would toss the torch that would burn away her former self. To her horror, she would find more changed than just her hair color. For Kira, life would never be the same. Humans feared the power of the elementals, so they locked them away. In the process they altered the balance of nature. 800 years later, the elements have awakened. Maddened by centuries of imprisonment, these powerful beings crave vengeance. Three unsuspecting women will have to soothe the savage forces before it's too late. One will find rebirth in the flames that take her life. One Night To Burn One will meld with the sea that seeks to claim her. When the Sea Burned One will find a love that shakes the earth itself. Scorched Earth She will make the north wind howl. Wind Burn

**Speak** - Laurie Halse Anderson 2011-05-10

The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself-we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and

practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

The Book Thief - Markus Zusak 2007-12-18

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

*Book of Night* - Holly Black 2022-05-03

"A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." - New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with

Book of Night, a modern dark fantasy of betrayals, secret societies, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy.

Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible figure from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgangers, mercurial billionaires, gloamists, and the people she loves best in the world—all trying to steal a secret that will give them vast and terrible power. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*A Tiny Spark of Hope* - Kim Golding 2021-01-21

I could not ignore the tiny spark of hope that whispered to me that there might be someone with whom I could be vulnerable and real, and that this time they might just not let me down... This is the story of Alexia and her therapist Kim, and their three-year therapy journey to begin Alexia's path to recovery. Written from both perspectives, it is a powerful and revealing account of a therapist-client relationship. Together, the authors show the manifold challenges that adult survivors of childhood abuse have to overcome, and offer insight to all therapists on how relational interventions can pave a way to healing.

**Only Human** - Sylvain Neuvel 2018-05-01

Pacific Rim meets The Martian in the explosive follow-up to *Sleeping Giants* ("One of the most promising series kickoffs in recent memory."—NPR) and *Waking Gods* ("Pure, unadulterated literary escapism."—Kirkus Reviews). Brilliant scientist Rose Franklin has

devoted her adult life to solving the mystery she accidentally stumbled upon as a child: a huge metal hand buried beneath the ground outside Deadwood, South Dakota. The discovery set in motion a cataclysmic chain of events with geopolitical ramifications. Rose and the Earth Defense Corps raced to master the enigmatic technology, as giant robots suddenly descended on Earth's most populous cities, killing one hundred million people in the process. Though Rose and her team were able to fend off the attack, their victory was short-lived. The mysterious invaders retreated, disappearing from the shattered planet . . . but they took the scientist and her crew with them. Now, after nearly ten years on another world, Rose returns to find a devastating new war—this time between humans. America and Russia are locked in combat, fighting to fill the power vacuum left behind after the invasion. Families are torn apart, friends become bitter enemies, and countries collapse in the wake of the battling superpowers. It appears the aliens left behind their titanic death machines so humankind will obliterate itself. Rose is determined to find a solution, whatever it takes. But will she become a pawn in a doomsday game no one can win? Praise for *Only Human* "Packing a surprisingly powerful thematic punch, this novel is an addictive blend of science fiction, apocalyptic thriller, and chillingly timely cautionary tale. Two (giant, robotic) thumbs up!"—Kirkus Reviews "Boasting a winning combination of briskly paced action and futuristic dystopia tempered by cautious optimism, *Only Human* brings a fitting, satisfying end to the *Themis Files* series."—RT Book Reviews "This action-packed tale with apocalyptic stakes is a fitting finale to this wonderfully cinematic series."—Publishers Weekly "Series fans will be eager for Neuvel's ever-so-satisfying conclusion to his rip-roaring science-fiction adventure tale."—Booklist Don't miss any of *The Themis Files* by Sylvain Neuvel: *SLEEPING GIANTS* | *WAKING GODS* | *ONLY HUMAN*

In the fast-paced second installment of the *Sky Chasers* series, Waverly, Kieran and Seth are in a race against time—and there's no room for mistakes. Now in trade paperback After a desperate escape from the enemy ship, Waverly

has finally made it back to the Empyrean. The memory of home has been keeping her alive for the past months but home is nothing like she left it. Forced to leave their captive parents behind on the New Horizon, she's returned only to find that Kieran has become a strict leader and turned the crew against Seth. What happened to the Kieran she thought she knew? Now Waverly's not sure whom she can trust. And the one person she wants to believe in is darkly brilliant Seth, the ship's supposed enemy. Waverly knows that the situation will only get worse until they can rescue their parents—but how? Before they have time to make a plan, an explosion rocks the Empyrean, and Seth and Waverly are targeted as the prime suspects. Can they find the true culprit before Kieran locks them away or worse? Will Waverly follow her heart, even if it puts lives at risk? Now more than ever, every step could bring them closer to a new beginning—or a sudden end.

**Love and Other Words** - Christina Lauren  
2018-04-10

After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel *Love and Other Words*...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured

by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

**Spark** - Helen Hardt 2021-09-28

He'll do anything for his family... Donovan "Donny" Steel is on a partnership track with a major Denver law firm. He loves his city career and his luxurious downtown loft, and life is going just how he planned it...until his mother, the city attorney for his hometown of Snow Creek, Colorado, asks him to move back and work for her when her assistant retires. Mom asks? Donny goes. Because he'll do anything for the family who took him in twenty-five years ago. The fact that he can pick up where he left off with gorgeous Callie Pike is simply a fringe benefit. Caroline "Callie" Pike was looking forward to finally beginning law school at age twenty-six, but the western slope fire that destroyed most of her family's vineyards put that plan on hold. At least she has Donny Steel's return to look forward to. After she spent an evening with him at a recent party, he hasn't strayed far from her mind. When Donny and Callie meet again, sparks do more than fly. They shoot like rockets to the stars. But their chemistry can't protect them from the emerging mysteries regarding the Steel family's past...or the secret Callie is keeping as well.
