**Harvard Business Review Project Management Handbook** - Antonio

Nieto-Rodriguez 2021-10-19

The one primer you need to launch, lead, and sponsor successful projects. We're now living in the project economy. The number of projects initiated in all sectors has skyrocketed, and project management skills have become essential for every leader and manager. Still, project failure rates remain extremely high. Why? Leaders oversee too many projects and have too little visibility into them. Project managers struggle to translate their hands-on, technical knowledge up to senior management. The result? Worthy projects are starved of time and resources and fail to deliver benefits, while too much investment goes into the wrong projects. To compete in the project economy, you need to close this gap. The HBR Project Management Handbook shows you how. In this comprehensive guide, project management expert Antonio Nieto-Rodriguez presents a new and simple framework that will increase any project's likelihood of success. Packed with case studies from many industries worldwide, it will teach you how to manage your organization's projects, strategic programs, and agile initiatives more effectively and push the best ones ahead to completion. Timeless yet forward-looking, this book will help you win in the project-driven world. In the HBR Project Management Handbook you'll find: Everything you need to know about project management in practical, nontechnical

language A definitive taxonomy of project types, from product launches to digital transformations to megaprojects A road map for becoming an effective project leader and executive sponsor A new, simple, and universal project framework, the Project Canvas, that breaks down any project into essential building blocks that can be easily understood by all project stakeholders Original concepts and exclusive case studies from public- and private-sector organizations worldwide You'll learn: A common language for project managers and executives to run successful projects across your organization When to use agile, traditional, or hybrid methods in your projects The twelve principles of successful projects, including purpose, agility, and a focus on outcomes Techniques for selecting and advancing the best projects and managing a strategic and balanced project portfolio How today's projects will help address some of the most pressing global trends, including automation, sustainability, diversity, and crisis management Why project management needed to be reinvented and what the future holds HBR Handbooks provide ambitious professionals with the frameworks, advice, and tools they need to excel in their careers. With step-by-step guidance, time-honed best practices, and real-life stories, each comprehensive volume helps you to stand out from the pack—whatever your role.

**Give Me Liberty! An American History** - Eric Foner 2016-09-15

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

**Mergers, Acquisitions, and Corporate Restructurings** - Patrick A. Gaughan 2017-11-27

The essential M&A primer, updated with the latest research and statistics Mergers, Acquisitions, and Corporate Restructurings provides a comprehensive look at the field's growth and development, and places M&As in realistic context amidst changing trends, legislation, and global

perspectives. All-inclusive coverage merges expert discussion with extensive graphs, research, and case studies to show how M&As can be used successfully, how each form works, and how they are governed by the laws of major countries. Strategies and motives are carefully analyzed alongside legalities each step of the way, and specific techniques are dissected to provide deep insight into real-world operations. This new seventh edition has been revised to improve clarity and approachability, and features the latest research and data to provide the most accurate assessment of the current M&A landscape. Ancillary materials include PowerPoint slides, a sample syllabus, and a test bank to facilitate training and streamline comprehension. As the global economy slows, merger and acquisition activity is expected to increase. This book provides an M&A primer for business executives and financial managers seeking a deeper understanding of how corporate restructuring can work for their companies. Understand the many forms of M&As, and the laws that govern them Learn the offensive and defensive techniques used during hostile acquisitions Delve into the strategies and motives that inspire M&As Access the latest data, research, and case studies on private equity, ethics, corporate governance, and more From large megadeals to various forms of downsizing, a full range of restructuring practices are currently being used to revitalize and supercharge companies around the world. Mergers, Acquisitions, and Corporate Restructurings is an essential resource for executives needing to quickly get up to date to plan their own company's next moves.

Valuing a Business, Sixth Edition: The Analysis and Appraisal of Closely Held Companies - Shannon P. Pratt 2022-04-05

Accurately analyze and appraise any business with the most trusted guide to valuation Originally published more than 40 years ago, Valuing a Business set the standard for excellence in the appraisal field and is the world's most respected valuation reference. This edition reflects the substantial advances in the tools and sophistication in business valuation, as well as new appraisal standards and regulations that have evolved since it was last published in 2008. These advances fall broadly into

three categories: Increasing consensus among the valuation professional organizations on standards, methodology, and terminology Updated appraisal rules, regulations, standards and guidance issued by governmental, or quasigovernmental, and professional bodies Major advances in the quantity, quality, and accessibility of empirical data available to support business valuation conclusions Valuing a Business provides thorough coverage and step-by-step analyses of virtually every topic important to you, including standards and credentials, valuation theory and principles, gathering data, site visits, financial statement analysis, writing reports, buy-sell agreements, litigation support services, and much more. This landmark resource is a complete one-stop compendium of information on the full range of valuation concepts and methods.

**Value** - McKinsey & Company Inc. 2010-10-26

An accessible guide to the essential issues of corporate finance While you can find numerous books focused on the topic of corporate finance, few offer the type of information managers need to help them make important decisions day in and day out. Value explores the core of corporate finance without getting bogged down in numbers and is intended to give managers an accessible guide to both the foundations and applications of corporate finance. Filled with in-depth insights from experts at McKinsey & Company, this reliable resource takes a much more qualitative approach to what the authors consider a lost art.

Discusses the four foundational principles of corporate finance Effectively applies the theory of value creation to our economy Examines ways to maintain and grow value through mergers, acquisitions, and portfolio management Addresses how to ensure your company has the right governance, performance measurement, and internal discussions to encourage value-creating decisions A perfect companion to the Fifth Edition of Valuation, this book will put the various issues associated with corporate finance in perspective.

Cengage Advantage Books: Business Law Today, The Essentials: Text and Summarized Cases - Roger LeRoy Miller 2016-01-01

Interesting, clear, and applied, BUSINESS LAW TODAY, THE

ESSENTIALS: TEXT AND SUMMARIZED CASES, 11E is a concise guide to the law and what it means in the business world -- from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, BUSINESS LAW TODAY: THE ESSENTIALS includes coverage of contemporary topics that impact not only the business world, but also the reader's personal life. The book examines timely issues, such as the financial crisis and its impact on business law, identity theft, immigration law, and diversity issues. Fascinating features and intriguing cases highlight the practicality of the concepts highlighted in the book.

Law for Business and Personal Use - John E. Adamson 2011-01-11

Explore the foundations of business law as well as the application of legal concepts to everyday life. LAW FOR BUSINESS AND PERSONAL USE, 19E, combines strong content and interactive technology with consistent, proven instruction to maintain student interest and support active learning. Coverage includes contracts, criminal law, environmental law, family law, and consumer protection. With more than 1,000 cases, LAW FOR BUSINESS AND PERSONAL USE, 19E, offers plenty of opportunities for case analysis and research. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Construction Contracting** - Richard H. Clough 2015-04-06

The definitive contracting reference for the construction industry, updated and expanded Construction Contracting, the industry's leading professional reference for five decades, has been updated to reflect current practices, business methods, management techniques, codes, and regulations. A cornerstone of the construction library, this text presents the hard-to-find information essential to successfully managing a construction company, applicable to building, heavy civil, high-tech, and industrial construction endeavors alike. A wealth of coverage on the basics of owning a construction business provides readers with a useful "checkup" on the state of their company, and in-depth exploration of the

logistics, scheduling, administration, and legal aspects relevant to construction provide valuable guidance on important facets of the business operations. This updated edition contains new coverage of modern delivery methods, technology, and project management. The field of construction contracting comprises the entire set of skills, knowledge, and conceptual tools needed to successfully own or manage a construction company, as well as to undertake any actual project. This book gives readers complete, up-to-date information in all of these areas, with expert guidance toward best practices. Learn techniques for accurate cost estimating and effective bidding Understand construction contracts, surety bonds, and insurance Explore project time and cost management, with safety considerations Examine relevant labor law and labor relations techniques Between codes, standards, laws, and regulations, the construction industry presents many different areas with which the manager needs to be up to date, on top of actually doing the day-to-day running of the business. This book provides it all under one cover - for the project side and the business side, Construction Contracting is a complete working resource in the field or office.  
*The Marketing Plan Handbook, 6th Edition* - Alexander Chernev  
2020-02-15

The Marketing Plan Handbook presents a streamlined approach to writing succinct and meaningful marketing plans. By offering a comprehensive, step-by-step method for crafting a strategically viable marketing plan, this book provides the relevant information in a concise and straight-to-the-point manner. It outlines the basic principles of writing a marketing plan and presents an overarching framework that encompasses the plan's essential components. A distinct characteristic of this book is its emphasis on marketing as a value-creation process. Because it incorporates the three aspects of value management—managing customer value, managing collaborator value, and managing company value—the marketing plan outlined in this book is relevant not only for business-to-consumer scenarios but for business-to-business scenarios as well. This integration of business-to-consumer and business-to-business planning into a single framework is essential for

ensuring success in today's networked marketplace. The marketing plan outlined in this book builds on the view of marketing as a central business discipline that defines the key aspects of a company's business model. This view of marketing is reflected in the book's cross-functional approach to strategic business planning. The Marketing Plan Handbook offers an integrative approach to writing a marketing plan that incorporates the relevant technological, financial, organizational, and operational aspects of the business. This approach leads to a marketing plan that is pertinent not only for marketers but for the entire organization. The Marketing Plan Handbook can benefit managers in all types of organizations. For startups and companies considering bringing new products to the market, this book outlines a process for developing a marketing plan to launch a new offering. For established companies with existing portfolios of products, this book presents a structured approach to developing an action plan to manage their offerings and product lines. Whether it is applied to a small business seeking to formalize the planning process, a startup seeking venture-capital financing, a fast-growth company considering an initial public offering, or a large multinational corporation, the framework outlined in this book can help streamline the marketing planning process and translate it into an actionable strategic document that informs business decisions and helps avoid costly missteps.

Controlling Concept, The: Cornerstone Of Performance Management - Horvath & Partners Management Consultants 2020-08-24

The Controlling Concept: Cornerstone of Performance Management is a guide to controlling, and how to adopt controlling effectively in business practice. This book describes, by means of the 'House of Controlling', how you can effectively implement controlling in your business practice. For instance, it clarifies the following questions: Chapters are supplemented by organisational checklists and business practice examples, drawn from Horváth & Partners' many years of experience developing and implementing controlling concepts at home and abroad.

Managerial Communication - Geraldine E. Hynes 2018-01-20  
A Practical, Strategic Approach to Managerial Communication

Managerial Communication: Strategies and Applications focuses on communication skills and strategies that managers need to be successful in today's workplace. Known for its holistic overview of communication, solid research base, and focus on managerial competencies, this text continues to be the market leader in the field. In the Seventh Edition, author Geraldine E. Hynes and new co-author Jennifer R. Veltsos preserve the book's strategic perspective and include new updates to reflect the modern workplace. The new edition adds a chapter on visual communication that explains how to design documents, memorable presentations, and impactful graphics. New coverage of virtual teams, virtual presentations, and online communication help students avoid common pitfalls when using technology. "This is probably the best book on Managerial Communication in the market." -Astrid Sheil, California State University San Bernardino

**How Parliament Works 6th Edition** - Robert Rogers 2013-09-13

Although Parliament is constantly in the news and televised daily, much of its work remains a mystery to outsiders and is sometimes perplexing even to its own members. This book provides a unique insight into the work and daily life of Parliament. It sets out plainly and intelligibly what goes on and why things happen, but it also analyses the pressures within the institution, its strengths and weaknesses, and ways in which it might change. Covering every aspect of the work, membership, and structures of both Houses, this book also reflects the profound changes that have taken place in Parliament over the years.

**Fundamentals of Risk Management** - Paul Hopkin 2017-01-03

Fundamentals of Risk Management, now in its fourth edition, is a comprehensive introduction to commercial and business risk for students and a broad range of risk professionals. Providing extensive coverage of the core frameworks of business continuity planning, enterprise risk management and project risk management, this is the definitive guide to dealing with the different types of risk an organization faces. With relevant international case examples from both the private and public sectors, this revised edition of Fundamentals of Risk Management is completely aligned to ISO 31000 and provides a full analysis of changes

in contemporary risk areas including supply chain, cyber risk, risk culture and improvements in risk management documentation and statutory risk reporting. This new edition of Fundamentals of Risk Management has been fully updated to reflect the development of risk management standards and practice, in particular business continuity standards, regulatory developments, risks to reputation and the business model, changes in enterprise risk management (ERM), loss control and the value of insurance as a risk management method. Also including a thorough overview of the international risk management standards and frameworks, strategy and policy, this book is the definitive professional text for risk managers.

**Digital Entrepreneurship** - Mariusz Soltanifar 2020-11-13

This open access book explores the global challenges and experiences related to digital entrepreneurial activities, using carefully selected examples from leading companies and economies that shape world business today and tomorrow. Digital entrepreneurship and the companies steering it have an enormous global impact; they promise to transform the business world and change the way we communicate with each other. These companies use digitalization and artificial intelligence to enhance the quality of decisions and augment their business and customer operations. This book demonstrates how cloud services are continuing to evolve; how cryptocurrencies are traded in the banking industry; how platforms are created to commercialize business, and how, taken together, these developments provide new opportunities in the digitalized era. Further, it discusses a wide range of digital factors changing the way businesses operate, including artificial intelligence, chatbots, voice search, augmented and virtual reality, as well as cyber threats and data privacy management. "Digitalization mirrors the Industrial Revolution's impact. This book provides a complement of perspectives on the opportunities emanating from such a deep seated change in our economy. It is a comprehensive collection of thought leadership mapped into a very useful framework. Scholars, digital entrepreneurs and practitioners will benefit from this timely work." Gina O'Connor, Professor of Innovation Management at Babson College, USA

“This book defines and delineates the requirements for companies to enable their businesses to succeed in a post-COVID19 world. This book deftly examines how to accomplish and achieve digital entrepreneurship by leveraging cloud computing, AI, IoT and other critical technologies. This is truly a unique “must-read” book because it goes beyond theory and provides practical examples.” Charlie Isaacs, CTO of Customer Connection at Salesforce.com, USA "This book provides digital entrepreneurs useful guidance identifying, validating and building their venture. The international authors developed new perspectives on digital entrepreneurship that can support to create impact ventures.” Felix Staeritz, CEO FoundersLane, Member of the World Economic Forum Digital Leaders Board and bestselling author of FightBack, Germany  
**Breaking Normal** - Daniel Eisenman 2017-05-30

Over the past decade of creating epic personal development retreats, Daniel Eisenman has traveled around the world experiencing beautiful, exotic settings and amazing people. His one big observation is that so many people keep the lid on their growth and opportunities to thrive. This is a self-imposed limitation ... nobody tells us to do this! Daniel blows the lid off and gives you a retreat experience in a book. What's inside Breaking Normal: ReWild Your Inner Child and Set the Truth Free? \*You'll get to feel what it means to be raw and vulnerable, excited and glowing with a sacred knowledge about your future. \*You'll learn to communicate with others in a way that cuts through the limitations we used to let entangle us. \*You'll have tools and insight for building your own tribe, be it your family or community or the world at large.

**INTERNATIONAL BUSINESS, Sixth Edition** - CHERUNILAM,

FRANCIS 2020-06-01

Business has been increasingly becoming global in its scope, orientation and strategic intent. This book by a renowned author provides a comprehensive yet concise exposition of the salient features, trends and intricacies of international business. The subject matter is presented in a lucid and succinct style so that even those who do not have a prerequisite knowledge of the subject can easily understand it. The text is enriched and made more interesting by a number of illustrative diagrams, tables and boxes. Another significant feature is the profuse references to Indian contexts and examples. Obsolete materials have been deleted and new ones are added at many places. The sixth edition of the book is characterised by updating of information throughout, besides significant modifications and recasting of most of the chapters. The text is supplemented with five new cases. The book is primarily intended for the undergraduate and postgraduate students of management and commerce. Besides, it will also prove useful for the postgraduate students of economics. Visit

**Out of the Jungle 6th Edition** - Bill Dunbar 2009-06

**Data Analysis for Business, Economics, and Policy** - Gábor Békés  
2021-04-30

This textbook provides future data analysts with the tools, methods, and skills needed to answer data-focused, real-life questions; to carry out data analysis; and to visualize and interpret results to support better decisions in business, economics, and public policy. Data wrangling and exploration, regression analysis, machine learning, and causal analysis are comprehensively covered, as well as when, why, and how the methods work, and how they relate to each other. As the most effective way to communicate data analysis, running case studies play a central role in this textbook. Each case starts with an industry-relevant question and answers it by using real-world data and applying the tools and methods covered in the textbook. Learning is then consolidated by 360 practice questions and 120 data exercises. Extensive online resources, including raw and cleaned data and codes for all analysis in Stata, R, and Python, can be found at [www.gabors-data-analysis.com](http://www.gabors-data-analysis.com).

*Managing Business Ethics* - Linda K. Trevino 2016-09-13

Revised edition of the authors' *Managing business ethics*, [2014]

*E-COMMERCE : AN INDIAN PERSPECTIVE, Sixth Edition* - JOSEPH, P. T., S.J. 2019-11-01

The comprehensive coverage of the Sixth Edition equips students with the latest information on e-commerce—concepts, models, strategies, and techniques that can be used to build useful e-commerce applications. The book features several comprehensive and diverse case studies and data on Indian corporations, as well as multinational companies showing success and failure of their Web-based electronic business models. Coverage of a broad range of topics, including the latest developments in technology as well as taxation issues, makes the book a solid introductory text for the rapidly expanding number of courses in e-commerce for the students of business management and commerce at undergraduate and postgraduate level, and also, for the students pursuing courses in computer applications, information technology and computer science engineering. **KEY FEATURES** • Provides coverage of all elements of e-commerce, including customer relationship, supply

chain management, e-payment, e-security, mobile commerce, and Web designing. • Addresses key legal issues related to taxation (including GST), privacy, copyright, and so forth. • Gives the end-of-chapter Internet search exercises to help students develop analytical skills. • Defines key technical terms in the glossary. **NEW TO THE SIXTH EDITION** • Updated tables and figures throughout the book • Mobile business models, which are gaining more importance nowadays • New topics such as business models, search engine optimization, digital payment transition in India, and so on • Augmented sections on social media marketing, security on the Internet, etc. • Completely revamped chapters on 'Information Systems for Mobile Commerce', 'Legal and Ethical Issues', and 'E-commerce Laws and Taxation Issues'. **TARGET AUDIENCE** • MBA/PGDM/BBA • MCA/BCA • B.Tech (IT/CSE) • M.Tech (IT) • M.Com/B.Com

**Winning With Accountability** - Henry J. Evans 2008-10

"Looking to achieve greater results by creating a high-accountability culture in your organization? This book shows you how! By implementing this Accountability process, you can take your team to new levels of excellence. The practical methods outlined in this book will guide you to increase your personal and organization's success"--Book cover

**Managerial Accounting: The Cornerstone of Business Decision-Making** - Maryanne M. Mowen 2016-12-05

MANAGERIAL ACCOUNTING, 7E shows readers how managerial accounting plays an essential role in helping today's managers make effective business decisions for their companies. This edition has been revised with an emphasis on showing students "Here's How It's Used." This unique learning approach along with relevant examples encourages and enables students to develop a deeper understanding of managerial accounting and its implications for business. Readers learn why managerial accounting is important, what it is, where managerial information comes from and how it is best used to make strong business decisions. This edition even explores emerging topics of interest to today's readers, such as sustainability, quality cost, lean accounting, international accounting, enterprise risk management, and forensic and fraud accounting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Managerial Accounting** - Jerry J. Weygandt 2017-12-27

**Biosafety in Microbiological and Biomedical Laboratories** - Centers for Disease Control (U.S.) 1988

**Cornerstones of Managerial Accounting** - Maryanne M. Mowen 2015-01-01

Equip your students with the managerial accounting knowledge they need to become influential business leaders with the unique integrated learning system in CORNERSTONES OF MANAGERIAL ACCOUNTING, 6E. Based on extensive research, the CORNERSTONES approach

presents materials the way today's students learn. The step-by-step CORNERSTONES approach helps students establish a strong foundation before moving forward. Students master the basics more quickly so they can transition to analyzing and applying concepts. Rather than focusing on concepts in isolation, the text presents accounting as a system—emphasizing how the end result changes based on how the numbers affect each other. CORNERSTONES OF MANAGERIAL ACCOUNTING's well-rounded approach helps students master basic managerial accounting concepts, explore the interrelationships of key variables, make sound decisions based on careful analysis, and apply their skills to business situations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Start Your Own Business, Sixth Edition** - The Staff of Entrepreneur Media 2015-01-19

Tapping into more than 33 years of small business expertise, the staff at Entrepreneur Media takes today's entrepreneurs beyond opening their doors and through the first three years of ownership. This revised edition features amended chapters on choosing a business, adding partners, getting funded, and managing the business structure and employees, and also includes help understanding the latest tax and healthcare reform information and legalities.

Cornerstones of Managerial Accounting - Maryanne M. Mowen 2010-06

Discover the managerial accounting text written to complement the way you study and learn! CORNERSTONES OF MANAGERIAL ACCOUNTING, 3E, uses a unique framework to show you the key concepts, or "Cornerstones," of accounting. As you come to understand these fundamental calculations, you will develop critical problem-solving skills to make real business decisions.

Information Security Management Handbook, Sixth Edition - Harold F. Tipton 2007-05-14

Considered the gold-standard reference on information security, the Information Security Management Handbook provides an authoritative compilation of the fundamental knowledge, skills, techniques, and tools

required of today's IT security professional. Now in its sixth edition, this 3200 page, 4 volume stand-alone reference is organized under the CISSP Common Body of Knowledge domains and has been updated yearly. Each annual update, the latest is Volume 6, reflects the changes to the CBK in response to new laws and evolving technology.

**Cornerstones of Managerial Accounting** - Maryanne M. Mowen 2015-01-01

Cornerstone - Robert M. Sherfield 2006-12

Finally, a textbook that actually uses reading and critical thinking strategies rather than just talking about them. This new, compelling fifth edition of "Cornerstone: Discovering Your Potential, Learning Actively and Living Well" reflects a deeper focus on self-responsibility and active learning. It effectively utilizes SQ3R throughout, underscoring its importance to student success. Also new to this edition is the implementation of Bloom's Taxonomy through a feature titled "Knowledge in Bloom." This chapter-end activity helps students apply the information from each chapter by prompting them to reflect and respond

to questions from each level of Bloom's. Two new chapters on money and debt management and self-engagement meet students where they are. A totally revised and updated chapter on change and goal setting highlights the relationships between realistic goals and ushering positive change into one's life. Exciting Additional Revisions include: The BIG WHY!! (Author Perspective) and The BIG WHY (Student Perspective) - offers advice from the authors AND former students as to "WHY" the chapter is important to the student's success, knowledge, college survival, and overall well-being. From Ordinary to Extraordinary: Real Stories of Personal Triumph - individual, brief biographies of ordinary Americans who faced and overcame huge obstacles and adversity going on to reach goals and dreams. Where are You.... AT THIS MOMENT? - popular feature's scoring and interpretation has been significantly revised and simplified. The extraordinary supplemental resource package has been expanded to better fit faculty and student needs!

**Management Accounting** - Anthony A. Atkinson 2007

*Transfer Pricing in International Business* - Geoff Turner 2013-03-15

For centuries, trade has endured stumbling blocks, mistakes, and moments of inspiration. It has contributed to the modern, globalized world in which we live, and the increasing economic, social, and political importance of trade has spawned a phenomenon called the multinational organization. However, these organizations have a national home to where profits will ultimately have to come, and in their effort to maximize the amount repatriated, they often engage in internal-pricing practices, known more commonly as transfer pricing This book reminds us all of the important issues of transfer pricing, and how easy it is to create friction between all of the interested parties. This book also goes on to provide an insight into how such conflicts can be assuaged or avoided altogether, and explains how transfer pricing may become a

managerial tool by establishing a common language that may be used as one driver for creating added value throughout the organization. Transfer pricing is not simply about maximizing income. It is a much more important strategic management issue that, treated unwisely or with ignorance, is likely to lead to an incongruity in the added value of an organization's products and services as well as its crucial return on capital employed.

**Public Personnel Management** - Norma M. Riccucci 2017-08-09  
Public Personnel Management has served as an essential, concise reader for public personnel and human resource management courses in the fields of public administration, political science, and public policy over the last 25 years. Since the first edition published in 1991, the book has offered professors and students alike an in-depth look at cutting-edge developments beyond standard textbook coverage, to provide a broad understanding of the key management and policy issues facing public and nonprofit HRM today. Original chapters are written expressly for the text by leading public administration scholars, each focusing on specific and often controversial concerns for public personnel management, such as pensions, gender and sexuality, healthcare, unions, and a multi-generational workforce. Now in an extensively revised sixth edition, Public Personnel Management presents new, original chapters to examine developments of interest to researchers and practitioners alike, including: remote working, cybersecurity, public service motivation, the abandonment of traditional civil service at the state and local levels, the Affordable Care Act and its implications for practice, pension systems and labor relations, affirmative action, social equity, legislation surrounding LGBT rights, and - as the field of public personnel management becomes more internationalized - a chapter addressing public personnel management across Europe. This careful and thoughtful overhaul will ensure that Public Personnel Management remains a field-defining book for the next 25 years.
