The room was on the fourth floor, and the key on the inside. The windows were closed and fastened - on the inside. The chimney was too narrow for a cat to get through. So how did the murderer escape? And whose were the two angry voices heard by the neighbours as they ran up the stairs? Nobody in Paris could find any answers to this mystery. Except Auguste Dupin, who could see further and think more clearly than other people. The answers to the mystery were all there, but only a clever man could see them.

The Poe Shadow - Matthew Pearl 2006-05-23

"I present to you . . . the truth about this man's death and my life."

Baltimore, 1849. The body of Edgar Allan Poe has been buried in an unmarked grave. The public, the press, and even Poe's own family and friends accept the conclusion that Poe was a second-rate writer who met a disgraceful end as a drunkard. Everyone, in fact, seems to believe this except a young Baltimore lawyer named Quentin Clark, an ardent admirer who puts his own career and reputation at risk in a passionate crusade to salvage Poe's. As Quentin explores the puzzling circumstances of Poe's demise, he discovers that the writer's last days are riddled with unanswered questions the police are possibly willfully ignoring. Just when Poe's death seems destined to remain a mystery, and forever sealing his ignominy, inspiration strikes Quentin-in the form of Poe's own stories. The young attorney realizes that he must find the one person who can solve the strange case of Poe's death: the real-life model for Poe's brilliant fictional detective character, C. Auguste Dupin, the hero of ingenious tales of crime and detection. In short order, Quentin finds himself enmeshed in sinister machinations involving political agents, a female assassin, the corrupt Baltimore slave trade, and the lost secrets of Poe's final hours. With his own future hanging in the balance, Quentin Clark must turn master investigator himself to unchain his now imperiled fate from that of Poe's. Following his phenomenal debut novel, *The Dante Club*, Matthew Pearl has once again crossed pitch-perfect literary history with innovative mystery to create a beautifully detailed, ingeniously plotted tale of suspense. Pearl's groundbreaking research-featuring documented material never published before-opens a new window on the truth behind Poe's demise, literary history's most persistent enigma. The resulting novel is a publishing event that, through sublime craftsmanship, subtle wit, and devious twists, does honor to Poe himself

Edgar Allan Poe - The Murders in the Rue Morgue - A Tale of Ratiocination and the Prototype for Detective Stories - Julia

Schubert 2002-10-07

Seminar paper from the year 2002 in the subject American Studies - Literature, grade: 1,3 (A), Martin Luther University (Institute for Anglistics/ American Studies), course: Short Fiction, 10 entries in the bibliography, language: English, abstract: Edgar Allan Poe is generally regarded as one of the most important and famous American authors. He wrote many short stories, poems and reviews. This term paper has not

the aim to concentrate on his whole work but to examine a certain story. The writer is especially famous for his "tales of ratiocination" (Carlson 319). One of these stories, "The Murders in the Rue Morgue", shall be the central subject of this paper. Poe himself commented on this story to be "something in a new key" (Silverman 173). What I want to prove throughout this work is why "Rue Morgue" nowadays signifies not only VRPHWKLQJ that was new, but the prototype of the modern detective story (a thesis we find in most of the literary encyclopaedias). For reaching a satisfactory final result, it is necessary to have, at first, a look at the definition of the "short prose narrative" (Ahrends 19), which was given by Poe himself. This term is closely connected to the "tales of ratiocination" in which the usage of Poe's primary principles reaches nearly perfection. This "perfection" is above all to be found in the story "Rue Morgue", one of the best examples of Poe's writing skills and the beginning of the creation of a new establishing literary genre. The analysis of the "Rue Morgue" will try to justify this thesis. Therefore, a further look at the main characters, the structure of the story, the reader's expected reaction and more is required. Finally, this working process shall lead me to my actual aim: The justification of the prototypical character of the "Rue Morgue" for (modern) detective fiction by summarizing the important features and elements of this literary genre. The Murders in the Rue Morgue - Edgar Allan Poe 2021-05-31

"The Murders in the Rue Morgue" is a quick tale through Edgar Allan Poe published in *Graham's Magazine* in 1841. It has been claimed because the first detective tale; Poe cited it as one among his "memories of ratiocination". Similar works predate Poe's stories, which include *Das Fräulein von Scuderi* (1819) by way of E.T.A. Hoffmann and *Zadig* (1748) by Voltaire. C. Auguste Dupin is a man in Paris who solves the mysterious brutal homicide of women. Numerous witnesses heard a suspect, although no one has the same opinion on what language changed into spoken. At the homicide scene, Dupin reveals a hair that does not seem like human. As the first actual detective in fiction, the Dupin individual installed many literary gadgets which might be used in future fictional detectives including Sherlock Holmes and Hercule Poirot. Many later characters, for example, comply with Poe's model of the first rate detective, his private pal who serves as narrator, and the final revelation being presented earlier than the reasoning that leads up to it. Dupin himself reappears in "The Mystery of Marie Roget" and "The Purloined Lett

C. Auguste Dupin - The Trilogy - Edgar Allan Poe 2015-08-11

"The Murders in the Rue Morgue" is a short story by Edgar Allan Poe published in "Graham's Magazine" in 1841. It has been recognized as the first modern detective story; Poe referred to it as one of his "tales of ratiocination". Two works that share some similarities predate Poe's stories, including "Das Fräulein von Scuderi" (1819) by E. T. A. Hoffmann

and "Zadig" (1747) by Voltaire. C. Auguste Dupin is a man in Paris who solves the mystery of the brutal murder of two women. Numerous witnesses heard a suspect, though no one agrees on what language was spoken. At the murder scene, Dupin finds a hair that does not appear to be human. As the first fictional detective, Poe's Dupin displays many traits which became literary conventions in subsequent fictional detectives, including Sherlock Holmes and Hercule Poirot. Many later characters, for example, follow Poe's model of the brilliant detective, his personal friend who serves as narrator, and the final revelation being presented before the reasoning that leads up to it. Dupin himself reappears in "The Mystery of Marie Rogêt" and "The Purloined Letter". "The Mystery of Marie Rogêt", often subtitled "A Sequel to 'The Murders in the Rue Morgue'", is a short story by Edgar Allan Poe written in 1842. This is the first murder mystery based on the details of a real crime. It first appeared in "Snowden's Ladies' Companion" in three installments, November and December 1842 and February 1843. "The Purloined Letter" is a short story by American author Edgar Allan Poe. It is the third of his three detective stories featuring the fictional C. Auguste Dupin, the other two being "The Murders in the Rue Morgue" and "The Mystery of Marie Rogêt". These stories are considered to be important early forerunners of the modern detective story. It first appeared in the literary annual *The Gift* for 1845 (1844) and was soon reprinted in numerous journals and newspapers.

A Retrieved Reformation - O. Henry 2020-08-26

Do you believe that people can change? Can a bank robber marry the banker's daughter without having any hidden thoughts and intentions? "A Retrieved Reformation" tells the story of Jimmy, a former prisoner, who decides to quit violating the law in the name of love. He takes up a new identity and starts a new life as an honorable man. However he is about to face a choice which can cost him his future. Will he sacrifice himself in order to save a child in danger or he will prefer to keep his old identity in secret? William Sydney Porter, better known as O. Henry, was an American writer who lived in the late 19th century. He gains wide popularity with his short stories which often take place either in New York or some small American towns. The plot twists and the surprise endings are a typical and integral part of O. Henry's short stories. Some of his best known works are "The Gift of the Magi", "The Cop and the Anthem", "A Retrieved Reformation". His stories often deal with ordinary people and the individual aspects of life. As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

Bestial Traces:Race, Sexuality, Animality - Christopher Peterson 2012-11-01

In contemporary race and sexuality studies, the topic of animality emerges almost exclusively in order to index the dehumanization that makes discrimination possible. *Bestial Traces* argues that a more fundamental disavowal of human animality conditions the bestialization

of racial and sexual minorities. Hence, when conservative politicians equate homosexuality with bestiality, they betray an anxious effort to deny the animality inherent in all sexuality. Focusing on literary texts by Edgar Allan Poe, Joel Chandler Harris, Richard Wright, Philip Roth, and J. M. Coetzee, together with philosophical texts by Derrida, Heidegger, Agamben, Freud, and Nietzsche, Peterson maintains that the representation of social and political others as animals can be mitigated but never finally abolished. All forms of belonging inevitably exclude some others as "beasts." Though one might argue that absolute political equality and inclusion remain desirable, even if ultimately unattainable, ideals, *Bestial Traces* shows that, by maintaining such principles, we exacerbate rather than ameliorate violence because we fail to confront how discrimination and exclusion condition all social relations.

The C. Auguste Dupin Mystery's - Edgar Allan Poe 2020-04-14

"The Murders in the Rue Morgue" is a short story by Edgar Allan Poe published in *Graham's Magazine* in 1841. It has been recognized as the first modern detective story; Poe referred to it as one of his "tales of ratiocination". The story opens with a lengthy explanation of ratiocination. Dupin demonstrates his prowess by deducing his companion's thoughts as if through apparent supernatural power. The story then turns to the baffling double murder of Madame L'Esplanade and her daughter at their home in the Rue Morgue, a fictional street in Paris. According to newspaper accounts, the mother was found in a yard behind the house, with multiple broken bones and her throat so deeply cut that her head fell off when the body was moved.

The Murders in the Rue Morgue - Edgar Allan Poe 2007-12-18

Edited and with an Introduction by Matthew Pearl Includes "The Murders in the Rue Morgue," "The Mystery of Marie Rogêt," and "The Purloined Letter" Between 1841 and 1844, Edgar Allan Poe invented the genre of detective fiction with three mesmerizing stories of a young French eccentric named C. Auguste Dupin. Introducing to literature the concept of applying reason to solving crime, these tales brought Poe fame and fortune. Years later, Dorothy Sayers would describe "The Murders in the Rue Morgue" as "almost a complete manual of detective theory and practice." Indeed, Poe's short mysteries inspired the creation of countless literary sleuths, among them Sherlock Holmes. Today, the unique Dupin stories still stand out as utterly engrossing page-turners. The Thing on the Doorstep and Other Weird Stories - H. P. Lovecraft 2013-10-01

A definitive edition of stories by the master of supernatural fiction Howard Phillips Lovecraft's unique contribution to American literature

was a melding of traditional supernaturalism (derived chiefly from Edgar Allan Poe) with the genre of science fiction that emerged in the early 1920s. This Penguin Classics edition brings together a dozen of the master's tales—from his early short stories "Under the Pyramids" (originally ghostwritten for Harry Houdini) and "The Music of Erich Zann" (which Lovecraft ranked second among his own favorites) through his more fully developed works, "The Dunwich Horror," "The Case of Charles Dexter Ward," and *At the Mountains of Madness*. *The Thing on the Doorstep and Other Weird Stories* presents the definitive corrected texts of these works, along with Lovecraft critic and biographer S. T. Joshi's illuminating introduction and notes to each story. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
