A Red Herring Without Mustard - Alan Bradley 2011-02-08

In the third installment of this bestselling, award-winning, sister-poisoning, bicycle-riding, murder-investigating, and utterly captivating series, Flavia de Luce must draw upon Gypsy lore and her encyclopaedic knowledge of poisons to prevent a grave miscarriage of justice. "You frighten me," the old Gypsy woman says. "Never have I seen my crystal ball so filled with darkness." So begins eleven-year-old Flavia de Luce's third adventure through the charming but deceptively dark byways of the village of Bishop's Lacey. The fortune teller also claims to see a woman who is lost and needs help to get home—and Flavia knows it must be her mother Harriet, who died when Flavia was less than a year old. The Gypsy's vision opens up old wounds for our precocious yet haunted heroine, and sets her mind racing in search of what it could mean. When Flavia later goes to visit the Gypsy at her encampment, she certainly doesn't expect to find the poor old woman lying near death in her caravan, bludgeoned in the wee hours. Was it an act of retribution by those who thought that the woman had abducted a local child years before? Certainly Flavia understands the bliss of settling scores; revenge is a delightful pastime when one has two odious older sisters. But how can she prove this crime is connected to the missing baby? Did it have something to do with the weird sect who met at the river to practice their secret rites? While still pondering the possibilities, Flavia stumbles upon a corpse—that of a notorious layabout and bully she had only recently caught prowling about Buckshaw. The body hangs from a statue of Poseidon in Flavia's very own backyard, and our unflappable sleuth knows it's up to her to figure out the significance. Pedalling her faithful bicycle, Gladys, across the countryside in search of clues to both crimes, Flavia uncovers secrets both long-buried and freshly stowed—the dodgy dealings of a local ironworks, the truth behind the Hobbler's secret meetings, her own ancestor's ambitious plans—all the while exhausting the patience of Inspector Hewitt. But it's not long before the evidence starts falling into place, and Flavia must take drastic action to prevent another violent attack.

Newbery Medal winner Kelly Barnhill spins a wondrously different kind of fairy-tale: In most fairy tales, princesses are beautiful, dragons are terrifying, and stories are harmless. But this isn't most fairy tales... Princess Violet is plain, reckless, and quite possibly too clever for her own good. Particularly when it comes to telling stories. One day she and her best friend, Demetrius, stumble upon a hidden room and find a peculiar book. A forbidden book. It tells a story of an evil being, called the Nybbas, imprisoned in their world. The story cannot be true--not really. But then the whispers start. Violet and Demetrius, along with an

ancient, scarred dragon--the last dragon in existence, in fact--may hold the key to the Nybbas's triumph or its demise. It all depends on how they tell the story. After all, stories make their own rules. Iron Hearted Violet is a story about the power of stories, our belief in them, and how one enchanted tale changed the course of an entire kingdom.
