1001 Children's Books You Must Read Before You Grow

Up is the perfect introduction

to the very best books of childhood: those books that have a special place in the

heart of every reader. It introduces a wonderfully rich

world of literature to parents and their children, offering

both new titles and much-loved classics that many generations

have read and enjoyed. From wordless picture books and

books introducing the first words and sounds of the

alphabet through to hard-hitting and edgy teenage

fiction, the titles featured in this book reflect the wealth of

reading opportunities for children. Browsing the titles in

1001 Children's Books You Must Read Before You Grow

Up will take you on a journey of discovery into fantasy,

adventure, history,

contermporary life, and much more. These books will enable you to travel to some of the most famous imaginary worlds such as Narnia, Middle Earth, and Hogwart's School. And the route taken may be pretty strange, too. You may fall down a rabbit hole, as Alice does on her way to Wonderland, or go through the back of a wardrobe to reach the snowy wastes of Narnia.

Classical Mythology A to Z -

Annette Giesecke 2020-10-06

An encyclopedic A-to-Z guide, this beautifully illustrated volume offers hundreds of rich, fascinating definitions of 700 major and minor characters, creatures, and places of classical mythology. Classical Mythology A-to-Z is a comprehensive and engrossing guide to Greek and Roman mythology. Written by Annette Giesecke, PhD, Professor of Classics and Chair of Ancient Greek and Roman Studies at the University of Delaware, this brilliant reference offers clear explanations of every character and locale, and captures the essence of these timeless tales. From the gods and goddesses of Mount Olympus and the heroes of the Trojan War to the nymphs, monsters, and other mythical creatures that populate these ancient stories, Giesecke recounts, with clarity and energy, the details of more than 700 characters and places. Each definition includes cross-references to related characters, locations, and

myths, as well their equivalent in Roman mythology and cult. In addition to being an important standalone work, Classical Mythology A-to-Z is also written, designed, and illustrated to serve as an essential companion to the bestselling illustrated 75th-anniversary edition of Mythology by Edith Hamilton, including 10 full-color plates and 2-color illustrations throughout by artist Jim Tierney.
