**Entrepreneur** - Charlie Thomas 2005

The landscape of corporate America changed dramatically between 2000 and 2003. In an age when the daily life of a business CEO could

include appearances on national TV, golfing with PGA stars, and doing promo spots for ESPN, the public's trust and confidence in our open market economy quickly disappeared in the face of scandal after scandal: the Enron debacle in November 2001, and into 2002 with Adelphia, Qwest, Tyco, and the unthinkable \$74.4 billion in improper accounting by WorldCom. Even the venerable Martha Stewart was indicted for insider trading abuses. As CEO and Chairman of the dynamic telecom Net2000 during those days, Charlie Thomas experienced the full life cycle of a business-start-up, incremental growth, rapid expansion, near collapse, boom, bust, and exit. In *Entrepreneur*, Charlie has leveraged his knowledge as a business advisor and his experience leading and growing Net2000 to deliver a unique mix of business guidance set against the backdrop of company triumphs and disappointments. These Lessons Learned will guide the reader through taking a company from a startup to an IPO and beyond.

**30 Lessons for Living** - Karl Pillemer, Ph.D. 2011-11-10

“Heartfelt and ever-endearing—equal parts information and inspiration. This is a book to keep by your bedside and return to often.”—Amy Dickinson, nationally syndicated advice columnist "Ask Amy" More than one thousand extraordinary Americans share their stories and the wisdom they have gained on living, loving, and finding happiness. After a chance encounter with an extraordinary ninety-year-old woman, renowned gerontologist Karl Pillemer began to

wonder what older people know about life that the rest of us don't. His quest led him to interview more than one thousand Americans over the age of sixty-five to seek their counsel on all the big issues: children, marriage, money, career, aging. Their moving stories and uncompromisingly honest answers often surprised him. And he found that he consistently heard advice that pointed to these thirty lessons for living. Here he weaves their personal

recollections of difficulties overcome and lives well lived into a timeless book filled with the hard-won advice these older Americans wish someone had given them when they were young. Like *This I Believe*, StoryCorps's *Listening Is an Act of Love*, and *Tuesdays with Morrie*, *30 Lessons for Living* is a book to keep and to give. Offering clear advice toward a more fulfilling life, it is as useful as it is inspiring.
