He wants a second chance to make things right. That's not going to happen. But Colton has other ideas. And part of me is afraid that if he actually puts his mind to it, he'll end up changing mine. *This is a mature New Adult novel with strong language and sexual situations intended for readers above the age of 18*

The Piano - Susan Tomes 2021

A fascinating history of the piano explored through 100 pieces chosen by one of the UK's most renowned concert pianists "Tomes . . . casts her net widely, taking in chamber music and concertos, knotty avant-garde masterworks and (most welcome) jazz."--Richard Fairman, Financial Times, "Best Books of 2021: Classical Music" "[One of] the most beautiful books I got my hands on this year. . . . About the shaping of this maddening, glorious, unconquerable instrument."--Jenny Colgan, Spectator, "Books of the Year" An astonishingly versatile instrument, the piano allows just two hands to play music of great complexity and subtlety. For more than two hundred years, it has brought solo and collaborative music into homes and concert halls and has inspired composers in every musical genre--from classical to jazz and light music. Charting the development of the piano from the late eighteenth century to the present day, pianist and writer Susan Tomes takes the reader with her on a personal journey through 100 pieces including solo works, chamber music, concertos, and jazz. Her choices include composers such as Bach, Mozart, Beethoven, Robert Schumann, Tchaikovsky, Debussy, Gershwin, and Philip Glass. Looking at this history from a modern performer's perspective, she acknowledges neglected women composers and players including Fanny Mendelssohn, Maria Szymanowska, Clara Schumann, and Amy Beach.

Players and Pawns - Gary Alan Fine 2015-08-06

Fine has spent years immersed in the communities of amateur and professional chess players, and with *Players and Pawns* he takes readers deep inside them, revealing a complex, brilliant, feisty world of commitment and conflict. Within their community, chess players find both support and challenges, all amid a shared interest in and love of the long-standing traditions of the game, traditions that help chess players build a communal identity. Full of idiosyncratic characters and dramatic gameplay, *Players and Pawns* is a celebration of the fascinating world of serious chess.
