Ancient Mesopotamia - A. Leo Oppenheim 2013-01-31

"This splendid work of scholarship . . . sums up with economy and power all that the written record so far deciphered has to tell about the ancient

and complementary civilizations of Babylon and Assyria."—Edward B. Garside, New York Times Book Review Ancient Mesopotamia—the area now called Iraq—has received less attention than ancient Egypt and other long-extinct and more spectacular civilizations. But numerous small clay tablets buried in the desert soil for thousands of years make it possible for us to know more about the people of ancient Mesopotamia than any other land in the early Near East. Professor Oppenheim, who studied these tablets for more than thirty years, used his intimate knowledge of long-dead languages to put together a distinctively personal picture of the Mesopotamians of some three thousand years ago. Following Oppenheim's death, Erica Reiner used the author's outline to complete the revisions he had begun. "To any serious student of Mesopotamian civilization, this is one of the most valuable books ever written."—Leonard Cottrell, Book Week "Leo Oppenheim has made a bold, brave, pioneering attempt to present a synthesis of the vast mass of philological and archaeological data that have accumulated over the past hundred years in the field of Assyriological research."—Samuel Noah Kramer, Archaeology A. Leo Oppenheim, one of the most distinguished Assyriologists of our time, was editor in charge of the Assyrian Dictionary of the Oriental Institute and John A. Wilson Professor of Oriental Studies at the University of Chicago.

Minecraft: Mob Squad - Delilah S. Dawson 2021-09-28

Come with the Mob Squad on an amazing adventure through the

Overworld in this official Minecraft novel! The village of Cornucopia is practically perfect in every way. Plenty of food, cozy homes, and a huge wall to keep everyone safe from the scary world outside. What more could a kid possibly need? Well, a lot, actually. Mal, a fearless girl, needs adventure, and her friends are right there with her: Lenna, a dreamer whose family underestimates her every day. Tok and Chug, brothers who love to build stuff (Tok) and smash stuff (Chug). They're best friends, and in a town whose grown-ups value safety over bravery and fitting in over standing out, they're the bad apples. But when a mysterious mob sneaks past Cornucopia's defenses, the village is in huge trouble. And nobody knows what to do. Finally faced with the adventure she's always wanted, Mal and her friends defy the rules their elders have always followed and set out beyond the wall for the first time. On their journey across the Overworld, they discover wonders they've never dreamed of and dangers they've never imagined. To save the day, they'll have to prove they're more than bad apples. They're the Mob Squad!

Man, Play, and Games - Roger Caillois 2001

According to Roger Caillois, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

Lost in the Nether - Cube Kid 2018

Eebs isn't a very disciplined kitten. His mom warned him not to play in the forest, but he didn't listen. That's how he found himself in the Nether, a bizarre world inhabited by scary creatures. In the company of a ghost, almost cheerful witch, Eebs develops supernatural powers.

[Diary of an 8-Bit Warrior Graphic Novel](#) - Pirate Sourcil 2021-03-02

For the first time ever, fans of Minecraft and the hit series *Diary of an 8-Bit Warrior* can enjoy these fun and fully illustrated graphic novels. This new graphic novel series is an adaptation of the best-selling *Diary of an 8-Bit Warrior* series. Readers will reconnect once again with their favorite characters in a familiar Minecraft world and embark on new, heart-pounding adventures. Runt is not a village boy like all the others. Growing carrots doesn't really interest him and selling them interests him even less. All he wants is to be a warrior! One day, he gathers up all his courage and decides to head off on a journey. He meets a zombie who dreams of being a human, and together, they set off on an extraordinary journey. Follow these two unlikely friends as they trek across the Minecraft universe in search of excitement and a little bit of danger—now in graphic novel format.

[Forall X](#) - P. D. Magnus 2018-07-25

"Forall x is an introduction to sentential logic and first-order predicate logic with identity, logical systems that significantly influenced twentieth-century analytic philosophy. After working through the material in this book, a student should be able to understand most quantified expressions that arise in their philosophical reading. This book treats symbolization, formal semantics, and proof theory for each language. The discussion of formal semantics is more direct than in many introductory texts. Although *forall x* does not contain proofs of soundness and completeness, it lays the groundwork for understanding why these are things that need to be proven. Throughout the book, I have tried to highlight the choices involved in developing sentential and predicate logic. Students should realize that these two are not the only possible formal languages. In translating to a formal language, we simplify and profit in clarity. The simplification comes at a cost, and different formal

languages are suited to translating different parts of natural language. The book is designed to provide a semester's worth of material for an introductory college course. It would be possible to use the book only for sentential logic, by skipping chapters 4-5 and parts of chapter 6"--Open Textbook Library.

Tabby's First Quest (Kitten Kingdom #1) - Mia Bell 2019-05-28

For fans of Puppy Princess, this new chapter book series brings together two consistent favorites, cats and royalty, in a fun action-packed adventure! Princess Tabby is no scaredy-cat! Princess Tabby loves playing in the palace with her brothers and reading about brave kitty heroes. When Tabby and her brothers accidentally give away a magic scroll to the evil King Gorgonzola, they must leave the safety of their castle to get it back. But reading about adventures and going on a real quest are two very different things. Tabby's never been afraid before, but suddenly she doesn't feel so brave. Will she be able to find her courage and save Mewtopia?

Brave New World - Aldous Huxley 2011-07-01

Ranked as one of the 100 best English-language novels of the 20th century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. The title's fantastic world is derived from Huxley's understanding of history and current events—including the aftermath of the Russian Revolution and World War I—and its depiction of the conflict between progress and the human spirit still resonates today.

On a Scale from Idiot to Complete Jerk - Alison Hughes 2014-04-01
When grade-eight science-project time rolls around, J.J. Murphy skips the beakers and the papiermâché and dives into research about jerks. And idiots. But mostly jerks. By his own estimation, his science project, *On a Scale from Idiot to Complete Jerk*, is groundbreaking, exhaustive, highly scientific and seriously worthy of bonus marks. Beginning with the dawn of humankind and concluding conclusively with a very cool pie chart, the project dissects the elements of jerkosity through extensive case studies and scientific illustrations. It explores the who, what, when, why and how of jerks and, more important, peppers the lively research with sciencey-looking graphs and charts that reveal a lot about J.J., his family and friends, and the jerks of this world.

Combat Squadrons of the Air Force; World War II. - Maurer Maurer 1969

This collection of squadron histories has been prepared by the USAF Historical Division to complement the Division's book, *Air Force Combat Units of World War II*. The 1,226 units covered by this volume are the combat (tactical) squadrons that were active between 7 December 1941 and 2 September 1945. Each squadron is traced from its beginning through 5 March 1963, the fiftieth anniversary of the organization of the 1st Aero (later Bombardment) Squadron, the first Army unit to be equipped with aircraft for tactical operations. For each squadron there is a statement of the official lineage and data on the unit's assignments, stations, aircraft and missiles, operations, service streamers, campaign participation, decorations, and emblem.

Manual of English Grammar and Composition - John Collinson Nesfield 1912

A Patriot's History of the United States - Larry Schweikart 2004-12-29
For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an

appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

War and Peace - Leo Tolstoy 2019-01-16

Hailed as one of the greatest novels of all time and a classic of world literature, War and Peace is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many

unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and

the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In *War and Peace* (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.
