Envious Casca - Georgette Heyer 2010-05-01

'Tis the season-to be dead... A holiday party takes on a sinister aspect when the colorful assortment of guests discovers there is a killer in their midst. The owner of the substantial estate, that old Scrooge Nathaniel Herriard, is found stabbed in the back. While the delicate matter of inheritance could be the key to this crime, the real conundrum is how any of the suspects could have entered a locked room to commit the foul deed. For Inspector Hemingway of Scotland Yard, the investigation is complicated by the fact that every guest is hiding something-throwing all of their testimony into question and casting suspicion far and wide. The clever and daring crime will mystify readers, yet the answer is in plain sight all along... Praise for Georgette Heyer: "Miss Heyer's characters and dialogue are an abiding delight to me...I have seldom met people to whom I have taken so violent a fancy from the word 'Go'." - Dorothy L. Sayers "A writer of great wit and style." - Daily Telegraph "Ms. Heyer is one of the most entertaining writers I have ever ready." - Reading Extravaganza "Miss Heyer has the delightful talent of blending humor with mystery." - Boston Evening Transcript Georgette Heyer wrote over fifty books, including Regency Romances, mysteries, and historical fiction. Her barrister husband Ronald Rougier, provided many of the plots for her detective novels, which are classic English country house mysteries reminiscent of Agatha Christie. Heyer was legendary for her research, historical accuracy, inventive plots, and sparkling characterizations.

My Soul Looks Back - Jessica B. Harris 2017-05-09

"In the Technicolor glow of the early seventies, Jessica B. Harris debated, celebrated, and danced her way from the jazz clubs of the Manhattan's West Side to the restaurants of the Village, living out her buoyant youth alongside the great minds of the day--luminaries like Maya Angelou, James Baldwin, and Toni Morrison. [This memoir] is her paean to that ... social circle and the depth of their shared commitment to activism, intellectual engagement, and each other"--Publisher marketing.

The Lightkeeper's Daughters - Jean E. Pendziwol 2017-07-04

"Jean Pendziwol's beautifully written novel captured me from the very first page. Its descriptions of the windswept lightkeeper's station of Elizabeth's and Emily's youth are so crisply rendered I felt I was standing on its shores watching the great ships cross the stormy waters of Lake Superior. Even more than its vivid evocation of a unique time and place, *The LightKeeper's Daughters* is a sensitive and moving examination of the nature of identity, the importance of family, and the possibility of second chances."—Heather Young, author of *The Lose Girls* With the haunting atmosphere and emotional power of *The Language of Flowers*, *Orphan Train*, and *The Light Between Oceans*, critically acclaimed children's author Jean E. Pendziwol's adult debut is an affecting story of family, identity, and art that involves a decades-old mystery. Though her mind is still sharp, Elizabeth's eyes have failed. No longer able to linger over her beloved books or gaze at the paintings that move her spirit, she fills the void with music and memories of her family, especially her beloved twin sister, Emily. When her late father's journals are discovered after an accident, the past suddenly becomes all too present. With the help of Morgan, a delinquent teenager performing community service at her senior home, Elizabeth goes through the diaries, a journey through time that brings the two women closer together. Entry by entry, these unlikely friends are drawn deep into a world far removed from their own, to Porphyry Island on Lake Superior, where Elizabeth's father manned the lighthouse and raised his young family seventy years before. As the words on these musty pages come alive, Elizabeth and Morgan begin to realize that their fates are connected to the isolated island in ways they never dreamed. While the discovery of Morgan's connection sheds light onto her own family mysteries, the faded pages of the journals will shake the foundation of everything Elizabeth thinks she knows and bring the secrets of the past into the light.

Faro's Daughter - Georgette Heyer 2008-07-01

Beautiful Deborah Grantham, mistress of her aunt's elegant gaming house, must find a way to restore herself and her aunt to respectability, preferably without accepting either of two repugnant offers. Max Ravenscar, uncle to her young suitor, comes to buy her off, an insult so scathing that it leads to a volley of passionate reprisals, escalating between them to a level of flair and fury that can only have one conclusion... "My favourite historical novelist—stylish, romantic, sharp, and witty. Her sense of period is superb, her heroines are

enterprising, and her heroes dashing. I owe her many happy hours." - Margaret Drabble "Georgette Heyer is unbeatable." - Sunday Telegraph "Sparkling." -Independent on Sunday "A writer of great wit and style...I've read her books to ragged shreds." -Kate Fenton, Daily Telegraph

A fascinating look into a tumultuous interlude in British history and the life of Bonnie Prince Charlie. For six weeks, Charles' life was in danger as he hid in the English countryside, disguised as a servant, unable to find a way across heavily guarded borders. His loyal courtiers were appalled by the ease and glee with which he adopted his new humble identity, insisting on chatting and even drinking with ostlers and houseboys. Two young women were instrumental in his eventual escape and one of them became a lifelong friend of the exiled king.

Miss Heyer is in top form...romantic, amusing, and full of tart-tongued comment on the mores of the time."-Publishers Weekly "Set in Bath in the last years of the Regency, it has the authentic Heyer sparkle."-Woman's Journal

The Peppered Moth - Margaret Drabble 2012-03-29

The prize-winning author of *The Dark Flood Rises* offers an "absorbing" portrait of three generations of women—inspired by her own family (The New York Times Book Review). In the early 1900s, young Bessie Bawtry grows up in a mining town in South Yorkshire, England. Unusually gifted, she longs to escape a life burdened by unquestioned tradition. She studies patiently, dreaming of the day when she will take the entrance exam for Cambridge and leave her narrow world. A generation later, Bessie's daughter Chrissie feels a similar impulse to expand her horizons, which she in turn passes on to her own daughter. Nearly a century after that, Bessie's granddaughter finds herself listening to a lecture on genetics and biological determinism. She has returned to Breaseborough and wonders at the families who remained in the humble little town where Bessie grew up. Confronted with what would have been her life had her grandmother stayed, she finds herself faced with difficult questions. Is she really so different from the plain South Yorkshire locals? As she soon learns, the past has a way of reasserting itself—not unlike the peppered moth that was once thought to be nearing extinction but is now enjoying a sudden and unexplained resurgence. With *The Peppered Moth*, the acclaimed author of *The Seven Sisters* conjures a captivating work of semi-fiction, grappling with her memory of her own mother and the indelible mark of family and heredity.

Manyara, of course, didn't agree, and set out to make certain that she would be chosen. He has illustrated it with stunning paintings that glow with the beauty, warmth, and internal vision of the land and people of his ancestors.
