Deep River - Karl Marlantes
2019-07-02

Three Finnish siblings head for the logging fields of nineteenth-century America in the New York Times–bestselling author’s “commanding historical epic” (Washington Post). Born into a farm family, the three Koski siblings—Ilmari, Matti, and Aino—are raised to maintain their grit and resiliency in the face of hardship. This lesson in *sisu* takes on special meaning when their father is arrested by imperial Russian authorities, never to be seen again. Lured by the prospects of the Homestead Act, Ilmari and Matti set sail for America, while young Aino, feeling betrayed and adrift after her Marxist cell is exposed, follows soon after. The brothers establish themselves among a logging community in southern Washington, not far from the Columbia River. In this New World, they each find themselves—Ilmari as the

family’s spiritual rock; Matti as a fearless logger and entrepreneur; and Aino as a fiercely independent woman and union activist who is willing to make any sacrifice for the cause that sustains her. Layered with fascinating historical detail, this novel bears witness to the stump-ridden fields that the loggers—and the first waves of modernity—leave behind. At its heart, *Deep River* explores the place of the individual, and of the immigrant, in an America still in the process of defining its own identity.

Farewell, Ghosts - Nadia Terranova 2020-08-25

This award-winning novel about a woman facing her past introduces Terranova to English-speaking audiences. Translated by Ann Goldstein, translator of Elena Ferrante’s Neapolitan quartet. Finalist,

Premio Strega, 2019 | Winner, Premio Alassio Centolibri | Selected among the 10 Best Italian Books of 2018 by Corriere della Sera Ida is a married woman in her late thirties, who lives in Rome and works at a radio station. Her mother wants to renovate the family apartment in Messina, to put it up for sale and asks her daughter to sort through her things--to decide what to keep and what to throw away. Surrounded by the objects of her past, Ida is forced to deal with the trauma she experienced as a girl, twenty-three years earlier, when her father left one morning, never to return. The fierce silences between mother and daughter, the unbalanced friendships that leave her emotionally drained, the sense of an identity based on anomaly, even the relationship with her husband, everything revolves around the figure of her absent father. Mirroring herself in that absence, Ida has grown up into a woman dominated by fear, suspicious of any form of desire. However, as her

childhood home besieges her with its ghosts, Ida will have to find a way to break the spiral and let go of her father finally. Beautifully translated by Ann Goldstein, who also translated Elena Ferrante's Neapolitan quartet, Farewell, Ghosts is a poetic and intimate novel about what it means to build one's own identity.

[Il concorso per FUNZIONARIO ed ISTRUTTORE DIRETTIVO negli ENTI LOCALI Area Amministrativa](#) - Pino Lastrada
2018-07-29

Questo Compendio costituisce la "summa" degli insegnamenti di base utili a tutti coloro che vogliono cimentarsi in un concorso pubblico per Funzionario o Istruttore Direttivo (categoria D) nell'Area Amministrativa degli Enti locali. In esso, in

particolare, sono esposti, con estrema chiarezza, gli argomenti che più frequentemente vengono richiesti ai candidati in sede concorsuale. Vengono tracciate, innanzitutto, le basi fondamentali del pensiero giuridico, con attenzione al diritto civile, costituzionale ed amministrativo, nella parte che più da vicino coinvolge la Pubblica Amministrazione in generale, anche alla luce dell'ultima riforma (D.L. 90/2014 modificato e convertito nella L. 114/2014; al diritto penale, nella parte relativa ai reati contro la P. A.; alla gestione contabile dello Stato e degli Enti Locali (alla luce del DLgs 126/2014, al sistema dei controlli, interni ed esterni agli Enti, e quello degli appalti pubblici, con i più recenti correttivi (D.Lgs 19 aprile 2017, n 56). Chiuderà il compendio una sintesi della normativa sulla tutela della privacy.

Concorso istruttore direttivo e funzionario area amministrativa e contabile. Cat C e D negli enti locali. Manuale - Salvio Biancardi 2019

The Korean War - Steven Hugh Lee 2013-12-02

Tens of thousands of US soldiers and untold millions of Koreans died in this war the first major arena of the East-West conflict. This concise international history of the war offers a new approach to its understanding, tracing its origins and dynamics to the interplay between modern Korean history and twentieth century world history. The narrative also uniquely examines the social history of the conflict, and includes material on the newly racially integrated US fighting forces, war and disease, women and

war and life in the Prisoner of War camps. While most surveys stop at 1953, with the signing of the armistice, Steven Hugh Lee carries the story through to the Geneva Conference in the spring of 1954 the last major international effort before recent years to negotiate a permanent peace for the Korean peninsula.

Consulente del lavoro. Strumenti per la preparazione all'esame di Stato - Antonio Bernucci 2011

The Dark Side of Relationship Pursuit - Brian H. Spitzberg 2014-04-16
Awards and Praise for the first edition: Recipient of the 2006 International Association for Relationship Research (IARR) Book Award "This text, as it presently stands, is THE go-to text for stalking researchers. That is my opinion and the opinion of multiple fellow scholars I know in the field. It rarely sits on my shelf, but rather is a constant reference on my desk. I can always count on these authors to have done

an extensive review of literature. I thought I was thorough, but they are always providing me with new references." --Dr. H. Colleen Sinclair, Associate Professor of Psychology, Mississippi State University "Cupach and Spitzberg provide the reader with a multidisciplinary framework for understanding the nature and impact of unwanted relationship pursuits. This book is an excellent resource for students and professionals alike who seek to gain knowledge about unwanted relational pursuits and stalking." —Journal of Couple & Relationship Therapy

The Dark Side of Relationship Pursuit provides historical and definitional frames for studying unwanted relationship pursuit, and considers the role of the media, law, and social science research in shaping today's conceptualizations of stalking. The volume integrates research from diverse contributing fields and disciplines, providing a thorough summary and assessment of current knowledge on stalking and

obsessive pursuit. Building on the foundation of the award-winning first edition, this revision considers assessment issues, offers an expanded analysis of the meta-analysis data set, and includes coverage of intercultural and international factors. As an increasing number of scholarly disciplines and professional fields study stalking and other forms of obsessive relationship pursuit, this book is a must-have resource for examining interpersonal conflict, social and personal relationships, domestic violence, unrequited love, divorce and relational dissolution, and harassment. It also has much to offer researchers, counselors, and professionals in psychology, counseling, criminal justice, sociology, psychiatry, forensic evaluation, threat assessment, and law enforcement.

Organizzazione e lavoro negli enti locali - 2005

Corruption and Government - Susan Rose-Ackerman
2016-03-07

This new edition of a 1999

classic shows how institutionalized corruption can be fought through sophisticated political-economic reform.

Giornale della libreria - 2003

Nihilism & Emancipation - Gianni Vattimo 2007-02-15
Features essays on ethics, politics, and law. This book re-evaluates the meaning, values, and the idea of freedom in Western culture. A daring marriage of philosophical theory and practical politics, this collection is the first of Gianni Vattimo's many books to combine his intellectual

pursuits with his public and political life. Vattimo is a paradoxical figure, at once a believing Christian and a vociferous critic of the Catholic Church, an outspoken liberal but not a former communist, and a recognized authority on Nietzsche and Heidegger as well as a prominent public intellectual and member of the European parliament.

Manuale di diritto tributario - Claudio Orsi 2011

North German Opera in the Age of Goethe - Thomas Bauman 1985

This book is the first study of the development of German opera in northern Germany from the first comic operas of Johann Adam Hiller at Leipzig in 1766 to the end of the century. Intellectually and historically, the period witnessed the flowering of the

German stage and German letters. German opera was an inseparable part of the new aspirations of the German stage during the Enlightenment. Thomas Bauman stresses the vital role of the mixed repertoires of German companies in effecting changes in the genre. North German opera began as a basically literary genre. It then changed dramatically in response to two major trends: first, the contact with the serious elements and styles of tragedy and secondly, the triumph on German stages of Italian, French, and Viennese comic operas. The book is generously illustrated with music examples. There is also a complete catalogue of texts of North German opera: those composed for performance and unset published librettos both cross-indexed under the librettists' names.
