The House on Mango Street - Sandra Cisneros 2013-04-30

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

The Tell-Tale Heart - Edgar Allan Poe 2020-08-26

Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1845), "The Black Cat" (1843), and "The Gold-Bug" (1843).

Dreaming in Cuban - Cristina García 2011-06-08

"Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Beny Moré."—Time Cristina García's acclaimed book is the haunting, bittersweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. *Dreaming in Cuban* is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez" (The New York Times). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—San Francisco Chronicle "Captures the pain, the distance, the frustrations and the

dreams of these family dramas with a vivid, poetic prose."—The Washington Post "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind."—The Denver Post

The American Crisis - Thomas Paine 2021-04-26T23:11:56Z

The American Crisis is a collection of articles by Thomas Paine, originally published from December 1776 to December 1783, that focus on rallying Americans during the worst years of the Revolutionary War. Paine used his deistic beliefs to galvanize the revolutionaries, for example by claiming that the British are trying to assume the powers of God and that God would support the American colonists. These articles were so influential that others began to adopt some of their more stirring phrases, catapulting them into the cultural consciousness; for example, the opening line of the first Crisis, which reads "These are the times that try men's souls." This book is part of the Standard Ebooks project, which produces free public domain ebooks.

With an introduction aimed at students and teachers and commentary that draws on fifty years of team editorial experience of Yale's Works of Jonathan Edwards, it provides both context and interpretation, and addresses the concerns and questions of a twenty-first century audience. The book contains questions for in-class discussion, a chronology of Edwards's life, and a glossary. In addition, curricular materials and video mini-presentations are available on a dedicated Web site. This casebook represents an innovative contribution to the art of teaching Edwards to a new generation of readers.

The Hot Zone - Richard Preston 2012-03-14

The bestselling landmark account of the first emergence of the Ebola virus. Now a mini-series drama starring Julianna Margulies, Topher Grace, Liam Cunningham, James D'Arcy, and Noah Emmerich on National Geographic. A highly infectious, deadly virus from the central African rain forest suddenly appears in the suburbs of Washington, D.C. There is no cure. In a few days 90 percent of its victims are dead. A secret military SWAT team of soldiers and scientists is mobilized to stop the outbreak of this exotic "hot" virus. The Hot Zone tells this dramatic story, giving a hair-raising account of the appearance of rare and lethal viruses and their "crashes" into the human race. Shocking, frightening, and impossible to ignore, The Hot Zone proves that truth really is scarier than fiction.

The Most Dangerous Game - Richard Connell 2020-04-21

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie The Hunt. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale "has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill" (The Telegraph). "[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted." —Criterion

A Modest Proposal - Jonathan Swift 2021-08-18

A Modest Proposal Jonathan Swift - To ease poverty in Ireland by eating the children of the poor was the satirical 'solution' suggested by Jonathan Swift in his essay 'A Modest Proposal' (1729). Here Swift unleashes the full power of his ironic armoury and corrosive wit, finding his targets - the British ruling class and avaricious landlords, and the brutalized Irish, complicit in their own oppression - with deadly precision.

Enrique's Journey - Sonia Nazario 2007-01-02

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one." Praise for Enrique's Journey "Magnificent . . . Enrique's Journey is about love. It's about family. It's about home."—The Washington Post Book World "[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking."—People (four stars) "Stunning . . . As an adventure narrative alone, Enrique's Journey is a worthy read. . . . Nazario's impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one."—Entertainment Weekly "Gripping and harrowing . . . a story begging to be told."—The Christian Science Monitor "[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid."—Newsday

Teaching What Really Happened - James W. Loewen 2018-09-07

"Should be in the hands of every history teacher in the country."—Howard Zinn James Loewen has revised Teaching What Really Happened, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today's schools.

TRAINSPOTTING -

If trains and railway modelling are your passion or you just love quality scale modelling you can't miss this book with the usual AK's quality display plus Marklin's input. A handbook that will possibly become a cult book for scale railway modelers in the next years. A new approach for an instructional book and the for the way techniques are displayed to beginners and advanced modellers. The book is structured in three main blocks. The first part contains the different techniques and materials we have at our disposal in order to be able to represent as many different effects as it is necessary. The second block walks us through a greatly visual and detailed description of the different processes and materials involved in representing these effects on different types of locomotives and wagons. A variety of techniques and work carried out by some

of the best European and American modellers. On the third section we will see how to weather railway buildings and rail station structures and their elements. This goes together with a chapter full of real reference pictures of trains from around the world that will really delight the reader and push many to start with the hobby.

Gilgamesh - Stephen Mitchell 2014-02-27

Vivid, enjoyable and comprehensible, the poet and pre-eminent translator Stephen Mitchell makes the oldest epic poem in the world accessible for the first time. Gilgamesh is a born leader, but in an attempt to control his growing arrogance, the Gods create Enkidu, a wild man, his equal in strength and courage. Enkidu is trapped by a temple prostitute, civilised through sexual experience and brought to Gilgamesh. They become best friends and battle evil together. After Enkidu's death the distraught Gilgamesh sets out on a journey to find Utnapishtim, the survivor of the Great Flood, made immortal by the Gods to ask him the secret of life and death. Gilgamesh is the first and remains one of the most important works of world literature. Written in ancient Mesopotamia in the second millennium B.C., it predates the Iliad by roughly 1,000 years. Gilgamesh is extraordinarily modern in its emotional power but also provides an insight into the values of an ancient culture and civilisation.

A Concise History of the Russian Revolution - Richard Pipes 2011-04-27

Richard Pipes's authoritative history of the "violent and disruptive acts" that created the first modern totalitarian regime portrays the crisis at the heart of the tsarist empire. Drawing on archival materials newly released in Russia, he chronicles the upheaval that began as a conservative revolt but was soon captured by messianic intellectuals intent not merely on reforming Russia but on remaking the world. He provides fresh accounts of the revolution's personalities and policies, crises, and cruelties, from the murder of the royal family through civil war, famine, and state terror. Brilliantly and persuasively, Pipes shows us why the resulting system owes less to the theories of Marx than it did to the character of Lenin and Russia's long authoritarian tradition. What ensues is a path-clearing work that is indispensable to any understanding of the events of the century.

We've Got a Job - Cynthia Levinson 2015

Discusses the events of the four thousand African American students who marched to jail to secure their freedom in May 1963.

Politics and the English Language - George Orwell 2021-01-01

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' — Irish Times

Lizzie Bright and the Buckminster Boy - Gary D. Schmidt 2006

Turner Buckminster hates his new home of Phippsburg, Maine, but things improve when he meets Lizzie Bright Griffin, a girl from a poor island community founded by slaves that the town fathers want to change into a tourist spot.

Sinners in the Hands of an Angry God - Jonathan Edwards 2019-08-15

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language,

there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

The Code Book - Simon Singh 2000-08-29

In his first book since the bestselling Fermat's Enigma, Simon Singh offers the first sweeping history of encryption, tracing its evolution and revealing the dramatic effects codes have had on wars, nations, and individual lives. From Mary, Queen of Scots, trapped by her own code, to the Navajo Code Talkers who helped the Allies win World War II, to the incredible (and incredibly simple) logistical breakthrough that made Internet commerce secure, The Code Book tells the story of the most powerful intellectual weapon ever known: secrecy. Throughout the text are clear technical and mathematical explanations, and portraits of the remarkable personalities who wrote and broke the world's most difficult codes. Accessible, compelling, and remarkably far-reaching, this book will forever alter your view of history and what drives it. It will also make you wonder how private that e-mail you just sent really is.
