*Worries Are Not Forever / Las
preocupaciones no duran para
siempre* - Elizabeth Verdick
2021-01-18

New English-Spanish bilingual
edition gives young children
strategies to ease anxieties and
worries and feel better again.
Everyone feels worried or
anxious at times, and young
children are no exception.
Friendly and supportive, this
bilingual English-Spanish book
explains what worries are and
how it feels to be worried,
assuring children that lots of
kids—and grown-ups too—feel
worried. Children learn that
there are many ways to help
their worries go away: "Guess
what? You are bigger than your
worries. You can learn to make
your worries smaller and
smaller and smaller." Talking
about worries, moving around,
keeping hands busy, breathing
deeply, getting a big hug, and
thinking good thoughts are all
ways for children to cope with
worries. A special section for
adults in both languages offers
activities and discussion
starters for home, school, and
child care. Best Behavior®
Bilingual Series The Best
Behavior® bilingual series
uses simple words in English
and Spanish and delightful full-

color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for ages baby to preschool and a longer, more in-depth paperback for ages four to seven. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas for parents and caregivers. *Tutti and the Terrible Yellow Leaves* - Anastasia Goldak 2021-06

One day Tutti the raccoon woke up in his forest and was horrified to see that all his favorite green trees had turned yellow! He was outraged! At first he politely asked them to turn green again, then he yelled and demanded. But nothing worked.... Every one of us encounters situations where something doesn't go quite the way we wanted it to. Young children can get frustrated a 100 times a day which causes them a storm of emotions. They start fighting, screaming, falling on the floor, throwing tantrums, calling names and biting! We can try to punish

them for this, try to explain that this is not the way to behave. We can even threaten them with "natural consequences"... But we quickly learn that it simply doesn't work. This book can help a child understand their emotions and express them in a civilized way. "Nastya, my son (4.5 years old) asks to listen to your fairy tale over and over again. His behavior has changed a lot these days. He has become kinder to his brother and started to express his emotions much more calmly." Find out what helped Tutti not to hit the tree when he had an impulse to do it, and how the wise forest elf helped him to overcome his frustration.

Noses Are Not for Picking - Elizabeth Verdick 2014-10-01 We've all seen it—the nose-picking habit starts as early as the toddler years, and no child is the exception. Young children pick their noses for a variety of reasons, from colds to allergies to curiosity or boredom. This board book for toddlers and preschoolers is

the answer to the age-old question "How can I get my child not to pick, especially not in public?" With gentle humor and kid-friendly support, this board book for toddlers and preschoolers helps guide little ones away from nose picking toward healthier habits, like using a tissue and washing their hands. Catchy words help children remember what to do; vibrant full-color illustrations bring the words to life.

Throughout, the positive message shines through: noses are for breathing, sniffing, smelling . . . but not for picking!

something - but what? When he is approached by Speech, a mysterious man who shares his hacktivist interests, Rico is given the perfect opportunity to speak out about injustice.

After all, what harm can a peaceful cyber protest do.

Fünf Meter Zeit - Lena Hesse 2015

Zweisprachiges Bilderbuch Deutsch-Albanisch Was passiert, wenn die Welt unerwartet einen Augenblick still steht? Wenn man eine Handvoll Zeit, einfach so, durch einen Zufall geschenkt bekommt? Genau das passiert in einer der größten und umtriebigen Städte der Welt, als eine kleine Schnecke die Straße überquert und den Verkehr für einen halben Tag zum Erliegen bringt. Ein Buch über Dinge, die man schon immer mal tun wollte, aber nie dazu kam. Rezensionen "bezaubernd" -- Kirkus Reviews "verträumte Geschichte ums Innehalten [...] macht auch Erwachsenen noch Spaß" -- Börsenblatt, Fachzeitschrift für den deutschen Buchhandel "Nimm man das Bilderbuch

'Fünf Meter Zeit' [...] in die Hand, so ist die Wahrscheinlichkeit besonderer Wahrnehmung und Aufmerksamkeitsanregung groß. [...] Spielerische Konzentration, interpretierende Wahrnehmung und kindlich-logisches Philosophieren werden die Quintessenz der Beschäftigung mit diesem mehrsprachigen Bilderbuch in vielen Sprachen sein." -- Chancen frühkindlicher Literalität, Fachbuch Pädagogik "Die Geschichte einer kleinen Schnecke, die viel bewirkt" -- Münstersche Zeitung "Wir sehen die Kinderbücher als echte Bereicherung für den Deutsch-Unterricht in der Primarstufe, für den DAZ- Bereich und darüber hinaus als Vorleseempfehlung für alle Eltern und KindergartenpädagogInnen" -- Österreichisches Schulportal "Ein Vorschlag zur Weltverbesserung" -- Westfälische Nachrichten "nicht nur interessant durch seine Geschichte oder seine

Botschaft, sondern auch durch die Art, wie diese vermittelt wird. Die Farben und die Hintergründe sind reich an Textur, im Gegensatz zur Mehrzahl der Kinderbücher." -- ForeWord Clarion Reviews "eine kreative Gute-Nacht-Geschichte, die auch für gestresste Erwachsene geeignet ist. [...] Im Trubel der Großstadt genießen die Tiere den Augenblick und werden sich bewusst, wie schön das Leben ohne Stress und Hektik sein kann." -- Designer in Action

Progress and Poverty - The

Complete Works of Henry

George - Henry George

2022-04-05

"Progress and Poverty is not so much a book as an event. The life and thought of no one capable of understanding it can be quite the same after reading it." - Emma Lazarus In this landmark text, Henry George lays out his study of questions of why poverty partners with economic and technological progress. His theory of single land tax proposed in this book was so influential it spurred progressive economic reform. Henry George was an American political economist and journalist. His 1879 work Progress and Poverty explored the paradox of increasing poverty and inequality amongst economic progress. He looked into the causes of industrial depressions and focused his efforts on anti-monopoly reforms to remedy economic and social problems by introducing his solution: a single land tax. Volumes within this book include: Wages and Capital Population and Subsistence The Laws of

Distribution Effect of Material Progress Upon the Distribution of Wealth The Problem Solved The Remedy Justice of the Remedy Application of the Remedy Effects of the Remedy The Law of Human Progress Highly influential in its time and admired by many intellectual contemporaries, Progress and Poverty was a founding text in Georgist ideology. Republished by Read & Co. Books, it is an essential read for those looking to learn more about the critical economic theories and social reforms throughout history. **El Arbol Del Relampago** - patrick rothfuss 2015-03-07

I am, Ik ben, Ich Bin, Je suis - Nick Doms 2008-01-28
Philosophical thoughts and ideas have always been a part of the poetry of Nick Doms. Frequently these ideas were embedded in stand-alone poems and intertwined and commingled with other more simple reflections. Throughout his writing career, the search for truth, values and standards has become more prevailing in

his poetry and takes center stage in his latest poetry collection; I am, Ik ben, Ich Bin, Je suis - Philosophical Poetry in a Barrel. In 2003 he published Inspirational for a Day as a collection of thoughts and ideas, which showed his interest in ancient and modern philosophy. The ideas were written in a very tangible and readable format for all to read. His next publication in 2005, Colors, was a compilation of both simple thoughts interlaced with poems that showed his evolving philosophical writing style. In I am, Ik ben, Ich Bin, Je suis, Nick Doms clearly reveals his quest for his heart and soul. His poetry is inspired by his ability to accept and celebrate his duality between soul and physical existence. He visualizes his perceptions, experiences and encounters from across the globe and blends them together in this compilation. Nick Doms embraces his native Flanders as well as his travels around the world to express his philosophy on life, people,

places and the world in general. His two previous publications received accolades from the International Society of Poets and were awarded the outstanding achievement in poetry award in 2003, 2005 and 2006.

My First Book of Korean Words - Kyubyong Park

2012-09-10

My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday

sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean!

Mealtime - Elizabeth Verdick
2011-04-01

Mealtime—"Yummy-in-the-tummy time"—is an opportunity to teach young children two major life skills: nutrition and table manners. Simple but important mealtime routines come to life as the toddlers in this book remember to wash their hands, use a napkin and fork or spoon, stay at the table, and eat healthy foods. Toddlers also learn the one big rule for mealtime: Always try one bite ("You just might like it!"). Parents and

caregivers want toddlers to develop healthy eating habits and positive mealtime routines. This book helps them do so with Verdick's keen ability to speak directly to little ones and Heinlen's delightful, appealing illustrations. Includes tips for parents and caregivers. Part of the award-winning Toddler Tools series.

Alanbrooke War Diaries 1939-1945 - Lord Alanbrooke
2015-04-30

The first complete and unexpurgated edition of the war diaries of Field Marshall Lord Alanbrooke - the most important and the most controversial military diaries of the modern era. Alanbrooke was CIGS - Chief of the Imperial General Staff - for the greater part of the Second World War. He acted as mentor to Montgomery and military adviser to Churchill, with whom he clashed. As chairman of the Chiefs of Staff committee he also led for the British side

in the bargaining and the brokering of the Grand Alliance, notably during the great conferences with Roosevelt and Stalin and their retinue at Casablanca, Teheran, Malta and elsewhere. As CIGS Alanbrooke was indispensable to the British and the Allied war effort. The diaries were sanitised by Arthur Bryant for his two books he wrote with Alanbrooke. Unexpurgated, says Danchev, they are explosive. The American generals, in particular, come in for attack. Danchev proposes to centre his edition on the Second World War. Pre and post-war entries are to be reduced to a Prologue and Epilogue). John Keegan says they are the military equivalent of the Colville Diaries (Churchill's private secretary), THE FRINGES OF POWER. These sold 24,000 in hardback at Hodder in 1985.
