The Bullet Journal Method - Ryder Carroll 2021-12

THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of The Miracle Morning In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***

The American Yawp - Joseph L. Locke 2019-01-22

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

[Take Back Your Time](#) - Christy Wright 2021-09-14

It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In Take Back Your Time, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way.

Yes & I Love You - Roni Loren 2021-03-02

New York Times and USA Today bestseller Roni Loren brings the heat in this complex story of: A woman battling her anxiety A man who seems too good to be true A sizzling connection built over sweltering New Orleans nights And an emotional climax that'll have them both baring it all Everyone knows Miz Poppy, the vibrant reviewer whose commentary brightens the New Orleans nightlife. But no one knows Hollyn Tate, the real face behind the media star...or the anxiety that keeps her isolated. All her life, Hollyn's tried to hide her true self behind an online façade, but when her boss tells her she needs to reveal the truth to the world or lose her job, she's forced to rely on an unexpected source to help face her fears. Enter Jasper Deares: actor, improve star, and way, way out of her league. Hollyn thinks Jasper must be joking when he offers private lessons to help overcome her fears. Getting up on a stage? Hello, worst nightmare. But Jasper's infectious charm has her saying yes despite herself. They're only supposed to be playing a few improv games, but as the lessons run longer and the lines grow blurrier, Hollyn can't help but wonder if she's acting at all...or if a relationship with Jasper might help give her the confidence she needs to say yes to every imperfect part of herself. Readers Rave About Books By Roni Loren: "Phenomenal."—LORELEI JAMES, New York Times and USA Today bestselling author "Unforgettable."—KRISTEN CALLIHAN, New York Times and USA Today bestselling author "Unique, swoony, and lively."—SARINA BOWEN, USA Today bestselling author "Don't let this book get away!"—M. The 3 Minute Gratitude Journal for Kids - Fresh Breeze 2019-11-09

This is a unique journal for kids and teenagers, allowing them the time to record their feelings each day. It's a guide to cultivate an attitude of gratitude! It is a self exploration journal designed to focus on being thankful for what we have, the big things in life, as well as the simple joys. Each well designed daily spread contains space to write 3 things you are thankful for each day of the week, and something awesome that happend today. Gratitude tasks have been scientifically proven to promote happiness. The simple act of using the journal is an 'analogue' time in an increasingly digital age. If the child starts each day by writing down three things is is thankful for a family, a favorite teacher, a good book - it begins each day on the right note. Let it do it everyday and make it a habit to focus on the blessings you have been given! Also get a copy for a friend who also has children so they can learn gratitude.

The Almanack Of Naval Ravikant - Eric Jorgenson 2021-09-30

GETTING RICH IS NOT JUST ABOUT LUCK; HAPPINESS IS NOT JUST A TRAIT WE ARE BORN WITH. These aspirations may seem out of reach, but building wealth and being happy are skills we can learn. So what are these skills, and how do we learn them? What are the principles that should guide our efforts? What does progress really look like? Naval Ravikant is an entrepreneur, philosopher, and investor who has captivated the world with his principles for building wealth and creating long-term happiness. The Almanack of Naval Ravikant is a collection of Naval's wisdom and experience from the last ten years, shared as a curation of his most insightful interviews and poignant reflections. This isn't a how-to book, or a step-by-step gimmick. Instead, through Naval's own words, you will learn how to walk your own unique path toward a happier, wealthier life.

A Year With Mama Earth - Rebecca Grabill 2019-09-10

In September, Mama Earth sighs out the first autumn frost, which crunches under children's feet. Mama Earth looks after nature's plants and animals throughout the year--singing lullabies to fat bears in the fall,

dressing evergreens in icicles in winter, and waking up the crocuses in spring. And in the summer, Mama Earth sends warm sunbeams to her beloved children, so they can play outside and enjoy the amazing world around them. With enchanting text and radiant artwork, *A Year with Mama Earth* offers a joyous celebration of nature's beauty and the changing seasons.

Don't Overthink It - Anne Bogel 2020-03-03

A Wall Street Journal bestseller! *** We've all been there: stuck in a cycle of what-ifs, plagued by indecision, paralyzed by the fear of getting it wrong. Nobody wants to live a life of constant overthinking, but it doesn't feel like something we can choose to stop doing. It feels like something we're wired to do, something we just can't escape. But is it? Anne Bogel's answer is no. Not only can you overcome negative thought patterns that are repetitive, unhealthy, and unhelpful, you can replace them with positive thought patterns that will bring more peace, joy, and love into your life. In *Don't Overthink It*, you'll find actionable strategies that can make an immediate and lasting difference in how you deal with questions both small--Should I buy these flowers?--and large--What am I doing with my life? More than a book about making good decisions, *Don't Overthink It* offers you a framework for making choices you'll be comfortable with, using

an appropriate amount of energy, freeing you to focus on all the other stuff that matters in life.

Reading People - Anne Bogel 2017-09-19

If the viral Buzzfeed-style personality quizzes are any indication, we are collectively obsessed with the idea of defining and knowing ourselves and our unique place in the world. But what we're finding is this: knowing which Harry Potter character you are is easy, but actually knowing yourself isn't as simple as just checking a few boxes on an online quiz. For readers who long to dig deeper into what makes them uniquely them (and why that matters), popular blogger Anne Bogel has done the hard part--collecting, exploring, and explaining the most popular personality frameworks, such as Myers-Briggs, StrengthsFinder, Enneagram, and others. She explains to readers the life-changing insights that can be gained from each and shares specific, practical real-life applications across all facets of life, including love and marriage, productivity, parenting, the workplace, and spiritual life. In her friendly, relatable style, Bogel shares engaging personal stories that show firsthand how understanding personality can revolutionize the way we live, love, work, and pray.

The Grail Conspiracy - Lynn Sholes 2010-09-08

Winner of Foreword Magazine's Book of the Year Award for Best Mystery On assignment in the Middle East, television journalist Cotten Stone stumbles upon an archeological dig that uncovers the world's most-sought-after religious relic: the Holy Grail. With his last dying breath, Dr. Gabriel Archer gives it to Cotten, uttering "You are the only one" in a language she's heard from only one other person—her deceased twin sister. What begins as a hot news story for the ambitious young reporter soon turns into a nightmare when the Holy Grail is stolen and strange "accidents" befall her dearest friends. Running for her life, she turns to John Tyler, a priest with firsthand knowledge of religious artifacts, for help. An anonymous source leads them to New Orleans during Mardi Gras, where an abominable experiment is underway that—unless destroyed—promises to unleash an ancient evil upon the Earth. Praise: "This page-turner is bound to show up on Da Vinci Code read-alike lists at public libraries across the country."—Library Journal "Religion and

science battle through a spectacular hold-your-breath conclusion when the Holy Grail supplies the blood of Christ to the forces of evil."—M. Diane Vogt, author of Six Bills and other Willa Carson Novels "The Grail Conspiracy is an auspicious debut from a dig in the deserts of Iraq to the inner sanctum of the Knights Templar, this multi-layered tale is a gripping blend of modern science, ancient ritual, and page-turning suspense. Next time you face the dark side, you'll want Cotten Stone, this gutsy, intelligent and engaging heroine at your side."—Christine Kling, author of Cross Current and Surface Tension "If you liked The Da Vinci Code, run out and buy this book! Modern technology mixed with mythology make for a fast read. This globe-trotting adventure story with biblical undertones will keep you hooked!"—Nancy J. Cohen, author of the Bad Hair Day mystery series

Atomic Habits - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Daily Stoic - Ryan Holiday 2016-10-18

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

[The Ones Who Got Away](#) - Roni Loren 2018-01-02

"Phenomenal. Gets my highest recommendation!" —LORELEI JAMES, New York Times and USA Today bestselling author It's been twelve years since tragedy struck the senior class of Long Acre High School. Only a few students survived that fateful night—a group the media dubbed *The Ones Who Got Away*. Liv Arias thought she'd never return to Long Acre—until a documentary brings her and the other survivors back home. Suddenly her old flame, Finn Dorsey, is closer than ever, and their attraction is still white-hot. When a searing kiss reignites their passion, Liv realizes this rough-around-the-edges cop might be exactly what she needs... Liv's words cut off as Finn got closer. The man approaching was nothing like the boy she'd known. The bulky football muscles had streamlined into a harder, leaner package and the look in his deep green eyes held no trace of boyish innocence. *The Ones Who Got Away* series: *The Ones Who Got Away* (Book 1) *The One You Can't Forget* (Book 2) *The One You Fight For* (Book 3) Readers are Raving About Roni Loren's *The Ones Who Got Away*: "Unforgettable... Roni Loren at her best!" —KRISTEN CALLIHAN, New York Times and USA Today bestselling author of the *Game On* series "Unique, swoony, and lively. *The Ones Who Got Away* is the best kind of second-chance romance!" —SARINA BOWEN, USA Today bestselling author of *Stay* "The *Ones Who Got Away* is EXACTLY what I love in romance; angsty, hot, conflicted, funny! Roni Loren delivers on all of it! Don't let this book get away!" —M. O'Keefe, USA Today bestselling author of *Baby, Come Back*

[She Reads Truth](#) - Raechel Myers 2016-10-04

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the

Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Cloud Atlas - David Mitchell 2010-07-16

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route,

in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* “[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel’s every page.”—The New York Times Book Review “One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature.”—Dave Eggers “Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative.”—People “The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I’ve never read anything quite like it, and I’m grateful to have lived, for a while, in all its many worlds.”—Michael Chabon “*Cloud Atlas* ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent.”—The Washington Post Book World “Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in his dance step.”—Boston Sunday Globe “Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate.”—Los Angeles Times [Christian Reading Journal](#) - Cathryn Brown 2019-07-11
